

ESSAY QUESTION 1:

Describe the scene and the people in the spectator stands as they wait for an anticipated sporting event at your school.

There was **pandemonium**. Unintelligible screams reverberated through the **decrepit** stadium, **stemming** from the sea of students in red, blue, green and yellow in the stands as they yelled themselves hoarse, trying to win the cheering competition. Despite the discomfort, emotions ran high as the crowd **belted** out cheer after cheer whilst stamping their feet on the grainy floor in rhythm to the **uproarious** clamour. None was to be outdone by the other. All this while, **humongous** banners and flags of the respective house colours filled the pillars in the stadium. The flags were being swung at **breakneck** speed by a few individuals, their faces **contorted** in concentration as these flag bearers struggled to keep steady under the **wearisome** weight of the bulky items they held.

The cheering weakened and gradually died down, enveloping the stadium in silence as the **prolonged** wait caused the crowd to feel **exasperated**, with seemingly nothing to look forward to as they faced the empty pitch. Soon, murmuring and exasperation at the
