Abstract *Abstracts of research articles are often written in a style that is not easily understood by non-specialist readers. This paper discusses the importance of writing abstracts in a clear and concise manner, and provides guidelines for authors to follow. The abstract should be written in a way that is easy to read and understand, and should provide a clear summary of the main findings of the study. The abstract should also be written in a way that is concise and to the point, and should avoid unnecessary detail. The abstract should be written in a way that is clear and easy to read, and should provide a clear summary of the main findings of the study.*
