

Romeo and Juliet

Study Guide

Act I

Scene 1

1. What conflict is revealed in the first part of this scene? In what ways do we learn this?

Capulet vs. Montague. The prologue tells us and then the fight scene confirms it. The Prince tells us they have had three recent fights as a result of their long-standing feud.

2. Contrast the actions of Tybalt and Benvolio when they encounter the servants:

Tybalt: angry/ violent impulsive aggressive-challenge benvolio to fight and threatens death
Benvolio: good kind peaceful-tries to stop the first

3. What is the Prince saying in the following lines:

*"If ever you disturb our streets again,
Your lives shall pay the forfeit of the peace." (Lines 98-99)*

The prince is saying if you disturb the streets again then you will die

4. Notice the use of oxymoron in the following lines:

*"Here is much to do with hate, but more with love,
Why then, O brawling love, O loving hate,
Of anything, of nothing first create!
O heavy lightness, serious vanity,
Misshapen chaos of well-seeming forms,
Feather of lead, bright-smoke; cold fire, sick health,
Still-waking sleep, that is not what it is!
This love feels like I feel no love in this." (Lines 180-185)*

What does this potentially reveal about Romeo?

What romeo reveals in this line is how he hate the rival of their families
