Community Impact Grant Program

Ecclesiastical Insurance is proud to support Canadian charities through the organization's signature Canadian giving initiative, the Community Impact Grant Program. This annual program is administered under the auspices of Benefact Trust, our charitable trust owner. It provides funding for registered Canadian charities looking to implement special projects designed to benefit youth, help at risk and underserved people, or support the preservation of Canada's history and diversity.

Grant submissions are reviewed by the Canadian Grant Giving Committee and are awarded based on the following criteria:

- A detailed description of the problem the non-profit organization hopes to address
- A clearly defined target population
- A detailed description of the project offered
- A detailed description of the impact of the project upon the community or region
- A detailed description of the project's long-term sustainability and success
- A detailed description of the project's budget and financial soundness
- A detailed description of the project's evaluation and provide outcomes—types of data to be collected; timeline for data collection
- A detailed description of the project's financial soundness

view of the language, key concepts, and impact measurement. It is designed to be a process and is based on a position paper prepared by Ghebray Consulting.
