Section 1 Mobilization On The Homefront Answers:

Home Front Battles Charles C. Bolton, 2024 Home Front Battles examines the many effects of World War II economic and military mobilization on the Deep South. It also underscores one of the primary home front battles which began with the passage of the Selective Training and Service Act in 1940 and the creation of the Fair Employment Practices Committee in 1941 banning discriminatory military training and employment practices and making it clear that the federal government would be promoting the ideal of nondiscrimination as part of its wartime mobilization efforts. In the Deep South where race relations were already tense, these directives and southern tradition clashed. The Era of World War II Louise A. Arnold-Friend, 1979

Hollywood Goes to War Clayton R. Koppes, Gregory D. Black, 1990-08-16 The little explored story of how politics, propaganda, and profits were combined to create the drama, imagery, and fantasy that was American film during World War II. 32 black and white photographs. *Methods of Life Course Research* Janet Z. Giele, Glen H. Elder, Glen H. Elder (Jr.), 1998-03-19 Giele and Elder introduce the life course approach, show how it developed, and what it entails; consider how to collect and organize longitudinal data and explore the analysis and interpretation of life course data. *Special Bibliographic Series* US Army Military History Research Collection, 1978 Special Bibliography, 1977

The Greatest Generation Comes Home Michael D. Gambone, 2005-10-18 At the conclusion of World War II, Americans anxiously contemplated the return to peace. It was an uncertain time filled with concerns about demobilization, inflation, strikes, and the return of a second Great Depression. Balanced against these challenges was the hope in a future of unparalleled opportunities for a generation raised in hard times and war. One of the remarkable untold stories of postwar America is the successful assimilation of sixteen million veterans back into civilian society after 1945. The G I generation returned home filled with the same sense of fear and hope as most citizens at the time. Their transition from conflict to normalcy is one of the greatest chapters in American history. *The Greatest Generation Comes Home* combines military and social history into a comprehensive narrative of the veteran's experience after World War II. It integrates early impressions of home in 1945 with later stories of medical recovery, education, work, politics, and entertainment, as well as moving accounts of the dislocation, alienation, and discomfort many faced. The book includes the experiences of not only the millions of veterans drawn from mainstream white America but also the women, African Americans, Latinos, and Asian Americans who served the nation. Perhaps most important, the book also examines the legacy bequeathed by these veterans to later generations who served in uniform on new battlefields around the world. *Foreign Commerce Weekly*, 1943

Economic Dimensions of Social Studies Curricula Linda McSpadden McNeil, 1977 *Congressional Record* United States Congress, 1991 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates* in

Congress 1824 1837 and the Congressional Globe 1833 1873
