

Filler Activities and Games

Activity 1: Word webs

A 'word web' is a useful way to remember new vocabulary. It works by connecting words into groups, so they are easier for you to find and learn.

For example, here is a word web for 'fruit':

Now make your own word webs for these words, and write them in your vocabulary notebook. You can include as many circles as you need.

CLOTHES
COLOURS
NATIONALITIES
FURNITURE

FAMILY
SPORTS
VEGETABLES
JEWELLERY

Activity 2: Hangman game

Choose one of the categories listed above in Activity 1 (e.g. clothes, family, furniture...). Now choose one word from this category and write it down, but do not let your partner see what you have written. On a different piece of paper, put one dash (_) for each letter of your word. So if your word is 'sister', put 6 dashes like this: _ _ _ _ _ _

Tell your partner which category you have chosen, then ask them to guess a letter which might be in your word. If they are right, write the letter in the appropriate space. If they are wrong, start drawing the hangman picture, one line at a time. If your partner guesses the word before you finish the picture, they have won. If not, you have won.

Activity 3: Memory game

This is a game in which you must try to remember as many words as you can! Imagine you are going on holiday, and think of all the things you might want to take in your suitcase. The first student starts the game, by saying "I packed my suitcase, and in it I put....." - then chooses a word beginning with **A** (for example 'apple'). The second student repeats the sentence, then adds a word beginning with **B** - for example "I packed my suitcase, and in it I put an **apple** and a **book**". The third student repeats both words, and then chooses one beginning with **C** - and so on until **Z**. Good luck!
