The Scottish Ritual of the Three Degrees of St. John's Masonry Scottish Rite (Masonic order),1895 **A ritual and illustrations of freemasonry** A. Allyn,1979 The revised ritual of craft freemasonry, by an old past master Freemasons,1888 **The Text Book of Freemasonry: A Complete Handbook of Instruction to All the Workings in the Various Mysteries and Ceremonies of Craft Masonry ...** ,1881

Neville,2012-06-01 Who were Tubalcain Aholiab and Zabud and what is their significance for the Freemason There is a general interest in the rituals of Freemasonry generated in part by the apparently obscure references they contain This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity The new Mason is directed to a serious contemplation of the Volume of the Sacred Law but that is easier said than done without a grounding in the Scriptures something that fewer and fewer people have The historical and geographical setting of the Bible is explained here making such contemplation easier for Mason and non Mason alike Mike Neville has systematically cross referenced the most influential Chapters of the Bible to the ceremonies It is his intention to get Freemasons to understand the ritual not just to memorise and regurgitate as well as to elucidate for the non Mason Sacred Secrets will aid the clergy theologians and any other person interested in Freemasonry to see the links between ritual and scripture **Initiating**

Women in Freemasonry J.A.M. Snoek,2012-01-13 Freemasonry is generally regarded a male phenomenon Yet both before 1723 and since 1744 women were initiated as well This book is about the rituals used for the initiation of women in the Adoption Lodges since the middle of the 18th century It describes their contents roots and creation before reviewing and

conceptualising their development in the past three centuries It analyses the different families of rituals within the Adoption Rite and gives an overview of specific developments showing how the rituals were adapted to their changing contexts Apart from its relevance for the history of Freemasonry in general and the Adoption Rite in particular the book also writes a hitherto unknown chapter of women s history Of particular interest for the history of feminism is the chapter about the 20th century which could only be written now that the documents concerning it which had been moved to Moscow in 1945 had been returned in 2000
