Descriptive Inquiry in Teacher Practice Cara E. Furman, Cecelia E. Traugh, 2021 What does it mean to teach for human dignity How does one do so This practical book shows how the leaders at four urban public schools used a

process called Descriptive Inquiry to create democratic schools that promote and protect human dignity The authors argue that teachers must attend to who a child is and find a way to create classrooms that allow everyone to feel safe and express ideas Responding to the perennial question of how to cultivate teachers they offer an approach that attends to both ethical development and instructional methods They also provide a way forward for school leaders seeking to listen to and provide guidance for their staff At its core Descriptive Inquiry in Teacher Practice champions a commitment to schools as places in which children teachers and leaders can learn how to live and work well together Book Features 679 Illustrates how to take an inquiry stance toward the difficult issues that educators face every day 679 Examines how themes regularly addressed in foundations can be used to improve schools 679 Includes engaging portraits of progressive urban schools that showcase the qualities of the leaders that guide them 679 Demonstrates the power of a progressive and humanistic education for children of color and for those from lower income backgrounds **Resources in Education** ,1997 American Education ,1978

There is no doubt it is first and foremost the story of Jonathan s journey battling cancer But perhaps even more it is a book of lessons Lessons in Hope and the power it has to change minds and hearts Friendship and what it means to care for others Joy and the obstacles it can overcome Trust because after all the doctors need lots of it Faith and the miracles God can work I feel privileged to have played even a small role in the story The view I was afforded makes me certain that those characteristics are not only true of the book but that all involved with Jonathan from 2008 to 2009 felt part of them too Praise God Catalog of Copyright Entries.
