Survey of the New Testament Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament **New Testament Commentary - 2 - Luke**

Cliff Taylor, 2014-10-17 My Bible Walkthrough series aimed at seeing that the reader would get to understand the basic meaning of the Bible text This series is for those who want to dig a little deeper and to see what the Bible has to say to them We start with the story of Jesus moving on to Luke's account **The Awe of The Two Natures and Miracles of Christ Jesus** Dr Ibim Alfred, 2023-01-26

The miracles of Christ Jesus are recorded by all the Four Gospel writers which are treated in accordance with arrangement of each writer in their respective books A careful reading and scrupulous examination in Matthew Mark Luke and John shows that the three categories of the miracles mentioned above are mixed up or rather placed or scattered haphazardly Please note this does not in any way constitute to contextual criticism The main task of this book is to re cast or re set these three types of miracles which are unsystematically or indiscriminately placed in the Four Gospels and to meticulously put them in an organised or methodically order or format Under the guidance of the Holy Spirit this had been achieved in this book and this is one of the strongest and positive advantages and strength which makes this book unique and special This makes it

possible to read these amazing wonders with ease and without tears THE DIVINE WORD Rev. Leon Ngandu
SVD,2024-10-02 Fr Leon Ngandu realized a critical need to evangelize God's people about the prayerful character of the first part of the Mass the liturgy of the Word of God Many faithful do not attend Mass actively intentionally and prayerfully because they do not comprehend the Scriptures proclaimed at Mass and the homilies that discuss them For them the Bible is difficult to read listen to interpret and understand It is imperative to recognize that both parts of the Mass the liturgy of the Word of God and the liturgy of the Eucharist are intricately connected We cannot fully engage in one if we neglect the other This means we cannot truly participate with Jesus at the Eucharistic Table if we do not listen to and understand him when he speaks to us at the Table of God's Word The liturgy of the Word is not just a part of the Mass it is a prayerful encounter with God Therefore a profound understanding of the liturgical Scriptures is essential for the faithful to participate reverently in the liturgy of the Mass This Liturgical Weekly Bible Study Workbook is a solution as it aims to help the faithful become familiar with the liturgical scripture readings before they attend each Sunday Mass Biblical Greek Exegesis George H. Guthrie,J. Scott Duvall,1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach **An Introduction to the New Testament, Volume 1** D. Edmond Hiebert,2002-09-30
Volume One The Gospels and Acts With typical thoroughness Dr Hiebert has produced this volume of his New Testament introductions Though not a commentary on the gospels and Acts the book presents their message along with a discussion of such questions as authorship composition and the Synoptic problem Practical suggestions on how to study these five books are included The bibliographies and annotated book lists are extremely helpful for pastors teachers and laymen Volume Two The Pauline Epistles This is a detailed introduction to all of Paul's writings epistles that without question are among the most precious treasures of the Christian church Dr Hiebert discusses the historical circumstances of their writing deals with ethical problems and provides helpful general information on the content and nature of the books themselves Discussed in general and separately these epistles are treated in chronological order with emphasis on their eschatology soteriology Christology or ecclesiology
