C. K. Barrett's exegetical prowess evidenced most distinctly in his volumes on the First and Second Epistles to the Corinthians also in the Black's series has long been appreciated in the world of biblical studies. Now in his long-awaited newly revised verse-by-verse exposition of The Epistle to the Romans, Barrett further enhances our understanding of the book of Romans, early Christianity, the apostle Paul, and his theology and the New Testament. This revised edition has been reworked, updated, and retypeset, and the inclusion of an index of ancient sources further adds to its usefulness. A master of thoroughness, historical backgrounds, and ancient languages, Barrett offers insights for scholars, ministers, students, and anyone who wants to know more about Paul's Epistle to the Romans.

Romans Verse by Verse Grant R. Osborne, 2017-11-15

Romans is Paul's most thorough presentation of the good news he preached. Writing to a church he had not yet met, Paul lets them know that both Jews and Gentiles need to be rescued from death, and the crucified and risen Jesus is the Savior they need. In *Romans Verse by Verse*, Grant R. Osborne shows readers what Romans meant to its original audience and what it means today. Throughout, he keeps scholarly discussions in the background so he can shine a light on the text itself in a way that non-scholars can understand. The Osborne New Testament Commentary Series is a set of commentaries on every New Testament book for people who are looking for a straightforward explanation of the text. In them, today's readers gain fuller access to the riches of each book from a master teacher who loves God's Word.
