Hell Holes: To Hell and Back Donald Firesmith, 2020-10-30 The beautiful young photojournalist Aileen O Shannon is not who she seems For centuries she has been a demon hunter a sorceress who has tracked and killed small bands of demons that occasionally crossed into our world But that changed when she joined Dr Jack Oswald s expedition to study one of hundreds of huge holes that mysteriously appeared overnight in the frozen tundra north of the Arctic Circle Instead of small sporadic incursions hordes of demons now pour from these hell holes like water from a sieve With bombing little more than a losing game of whack a mole Earth s armies are unable to destroy the portals When Jack suggests a desperate plan he is drafted to join Aileen and a team of other sorcerers and Army Rangers to travel to the demon homeworld Once there they will unleash a plague virus and set off a nuclear bomb to destroy the portal complex It s a suicide mission But Aileen has given Jack s wife her word to bring him back safely and the demons have already killed three men under her protection Just how far will Aileen go to avoid losing another

Heaven and Earth in Anglo-Saxon England Helen Foxhall Forbes, 2016-04-22 Christian theology and

religious belief were crucially important to Anglo Saxon society and are manifest in the surviving textual visual and material evidence This is the first full length study investigating how Christian theology and religious beliefs permeated society and underpinned social values in early medieval England The influence of the early medieval Church as an institution is widely acknowledged but Christian theology itself is generally considered to have been accessible only to a small educated elite This book shows that theology had a much greater and more significant impact than has been recognised An examination of theology in its social context and how it was bound up with local authorities and powers reveals a much more subtle interpretation of secular processes and shows how theological debate affected the ways that religious and lay individuals lived and died This was not a one way flow however this book also examines how social and cultural practices and interests affected the development of theology in Anglo Saxon England and how popular belief interacted with literary and academic traditions Through case studies this book explores how theological debate and discussion affected the personal perspectives of Christian Anglo Saxons including where possible those who could not read In all of these it is clear that theology was not detached from society or from the experiences of lay people but formed an essential constituent part *Ninety-six Sermons*

A Complete Edition of the Poets of Great Britain, 1793

An Angel Knocks on Hell's Door Suzé DiPietro, 2000-07-11 An Angel Knocks on Hell's Door is a riveting story of a young girl's perilous journey into womanhood When sixteen year old Gia discovers her father with another woman and reveals his betrayal to her family he deserts them They lose everything plummeting from a comfortable middle class existence into a neighborhood rife with crime gangs racial tension and drugs It is there that the stage is set for Gia to come of age under the obsessive sexual attentions of a neighborhood gang leader Suffering from the belief that she is guilty of having shattered her family and that she has become a loose woman she is convinced that she is condemned to hell Her sins are so great in her eyes that she can never confess them to a priest or anyone for that matter And if you can't confess you can't be forgiven This is the story of Gia's battle triumph and salvation from hell without ever confessing a thing to a priest Insecure and reeling from the departure of her husband Gia's mother is not prepared to raise her three children and support her mother Unable to accept her leadership role she emotionally abandons her family in favor of her new boyfriend

The children are left under the watchful eye of Nanny her mother who is nicknamed The Iron Lady Nanny is a tough no nonsense woman with a rough edged sense of humor She is caught between protecting her grandchildren and risking her already fragile relationship with her daughter Keenly aware that her family is dangerously close to self destructing she fears losing them to their personal demons Tony to gangs drugs and drinking Mario inwardly to the solitary pursuit of running and Gia to sexual awakening The stakes are raised when Gia the object of obsession for Nicky a neighborhood Greek gang leader unknowingly rebuffs him in favor of his younger brother A ballistic Nicky rapes her warning her that if she tells anyone he will kill her and her family Obsessed with controlling her he takes over every facet of her life from choosing what she wears chauffeuring her to and from school to physically and emotionally assaulting her if she doesnt do as he says If Gia thought she was knocking on Hells door before she is absolutely certain that Satan has answered it in the form of Nicky A man of starkly contrasting dark and light personality traits Nicky alternately abuses Gia and treats her like a princess All the while he asserts You will love me Despite her initial fear and hatred of him she slowly and with much guilt and confusion finds herself drawn to him both emotionally and physically She struggles to understand how she can possibly love the devil unless shes evil too This sets her on a treacherous pilgrimage of self discovery What she comes to realize is that in order to face Nicky she has to face herself even if she doesnt like what she sees And sometimes the devil teaches us lessons that we dont want to learn but must learn in order to survive Gia discovers exactly what she represents to Nicky and it involves more than just sex He uses her as his sword against his controlling parents his arranged marriage and his impending return to Greece Gia s story ends in a stunning climax surprising to both her and Nicky

Hell's Own T. L. Parrington, 2015-01-13 A slightly twisted version of the battle between good and evil that all comes together in the character of Alexander the discontented demon who finds his way to earth and joins up with an unlikely pair of angels When a disillusioned demon breaks the bonds of Hades and discovers the wonders of earth and its inhabitants he becomes mankind s only ally in the war between heaven and hell where the human soul is the ultimate prize Join author T L Parrington in this often humorous look at the darker sides of the human spirituality experience as witnessed by two humans each on their own path of enlightenment as they struggle with the realities of hell on earth in the form of an unusual new friend
