

GRADE 12: EHL

DRAMA: OTHELLO

1. The inherent weaknesses in various characters are manipulated, leading to injustice.

- Othello's weaknesses: his jealousy and a lack of control over his emotions, as well as his insecurities, based on his age and his sense of racial inferiority and foreignness, are exploited by Iago. These will result in a miscarriage of justice: his murder of Desdemona.
- His naive and trusting nature causes him to place his faith in Iago, a grave error.
- His lack of perception and sophistication, his gullibility and his limited experience of female company are all weaknesses that are manipulated by Iago.
- His lack of emotional balance is demonstrated as he descends into primitive/barbaric behaviour and becomes irrational. This state of mind makes him vulnerable to Iago's innuendos, resulting in his obsession with vengeance.
- Othello is self-righteous, believing he is executing justice in punishing Desdemona for her adultery. His act of justice is in fact unjust.
- Desdemona's naivety in believing that Othello is not jealous and her lie to Othello about the handkerchief, lead to her unjust death. Othello physically and verbally abuses Desdemona. However, her loyalty becomes a weakness when she blames herself for Othello's abusive and even murderous behaviour.
- Her loyalty to her friends, usually considered to be a strength, is perverted into a weakness to be exploited by Iago. Her nagging insistence on pursuing Cassio's suit reinforces the belief that she is pleading for her lover.
- Cassio's giving in to peer pressure to accept another drink, then becoming a participant in a drunken brawl, displays a weakness which allows Iago to manipulate events to his advantage. Cassio is dismissed from his position, losing Othello's friendship and trust.
- The callous way in which Cassio mocks Bianca's infatuation, allows Iago to provide the ocular proof demanded by Othello to confirm Desdemona's affair with Cassio.
- Brabantio's prejudice enables Iago to manipulate him into attempting to dissolve the marriage between Othello and Desdemona.
- Roderigo's lack of intelligence, as well as his gullibility and lack of mature morality, allows him to become Iago's dupe. Despite becoming disillusioned with Iago's ability to fulfil his promise, he is easily persuaded to become further embroiled in Iago's plans.
- Emilia is a bullied wife who steals Desdemona's handkerchief because she wants to please her husband. The act of stealing the handkerchief allows Iago to further his plan of sowing discord. Emilia does not question his desire to acquire the handkerchief, proving she is ignorant of his true nature.
