The image displays two educational worksheets. The background worksheet is titled "Spanish Clothing Unit Fashion Show Project" and includes instructions for a fashion show activity. The foreground worksheet is a student response titled "Mi menú español" (My Spanish menu), which includes a drawing of a menu card and a list of instructions for creating a menu in Spanish.

Spanish Clothing Unit Fashion Show Project

You and your partner will take part in an exciting and thrilling fashion show *español*. For this project, you will envision an outfit that you would like to wear on the day of the fashion show. You will write a paragraph in which you describe the outfit while your partner acts as the commentator, presenting your outfit to the audience. Then, your partner will model the outfit while you present the outfit. This is your chance to have fun, accommodate, and be creative as possible.

Step One: Envision an outfit that you would like to wear on the day of the fashion show. Your outfit should include 8 different articles of clothing and accessories. Use the Project Organizer to help you come up with your outfit. Then, draft your descriptive paragraph, in which you describe the outfit while your partner acts as the commentator, presenting your outfit to the audience. Remember, your partner will model the outfit while you present the outfit.

Step Two: Create a menu in Spanish. You may create either an electronic version on the computer or a physical version that you will create using markers, markers, photos that you have printed out, or a magazine, etc.

Instructions for the menu:

- 1. Create the menu, including the name of your restaurant.
- 2. Specify the food and hours of operation.
- 3. Choose the items of your menu.
- 4. If you are creating a menu for a restaurant, include the name of the restaurant.
- 5. What kinds of food are served at your restaurant? Breakfast, lunch, dinner, etc.
