Finish Sheri L. Samotin ,2014-01-07 Family caregiving is often called the other midlife crisis Since I myself am an Adult
Child and not yet an Older Adult I do tend to empathize with my own generation s struggle with this reality However as a life
transition coach I spend a lot of my time working with Older Adults and have grown to see things much more clearly from
their vantage point This book was born to fill a specific need to create a foundation for dialogue between the two generations
As you will see as you dive in this book is not meant to be an encyclopedic guide to aging or caregiving At the same time it is
not merely a series of stories about the struggles of growing older or caring for your parents as they do Rather I have
incorporated real life examples to illustrate the challenges and opportunities along with conversation starters and tips and
tricks from the field Health planning reports subject index United States. Health Resources Administration,1979
