

Practice Nurse Incentive Program Guidelines - July 2012

Introduction

The Practice Nurse Incentive Program (PNIP) began on 1 January 2012.

The PNIP provides incentive payments to practices to support an expanded and enhanced role for nurses working in general practice.

General practices across Australia, including those in urban areas as well as Aboriginal Medical Services and Aboriginal Community Controlled Health Services, may be eligible for a payment to help with the costs of employing a practice nurse. One of the eligibility requirements is the practice must be accredited under the current Royal Australian College of General Practitioners (RACGP) *Standards for general practices*.

The PNIP also includes:

- support for all accredited practices to employ an Aboriginal Health Worker instead of, or in addition to, a practice nurse (registered nurse or enrolled nurse)
- support for practices in urban areas of workforce shortage, Aboriginal Medical Services and Aboriginal Community Controlled Health Services to employ allied health professionals such as physiotherapists, dietitians and occupational therapists instead of, or in addition to, a practice nurse and/or Aboriginal Health Worker
- a rural loading of up to 50 per cent based on Australian Standard Geographical Classification—Remoteness Areas (ASGC-RA)
- a one-off \$5,000 incentive to support eligible non-accredited practices to become accredited
- grandparenting arrangements for the first three years of the program to make sure that practices are not financially disadvantaged by the restructure of the Practice Incentives Program (PIP) Practice Nurse Incentive and the removal of six of the Medicare Benefits Schedule (MBS) practice nurse items
- a loading for Aboriginal Medical Services and Aboriginal Community Controlled Health Services, and
- a loading for practices that provide general practitioner (GP) services to Department of Veterans' Affairs (DVA) Gold Card holders.

The PNIP simplifies financing arrangements by combining funding from the previous PIP Practice Nurse Incentive and MBS practice nurse items and replacing them with a single payment.

The following MBS practice nurse items covering immunisation, cervical screens and treatment of a person's wound have been removed:

- 10993
- 10994
- 10995
- 10996
- 10998
- 10999

The PNIP is administered by the Department of Human Services (Human Services) on behalf of the Department of Health and Ageing (DoHA) and DVA.

These guidelines explain how to apply for payments under the PNIP and how the arrangements will work.

Attachment A contains a number of different payment calculation scenarios.
