United States Charles Benjamin Cox, Byron G. Massialas, 1967 This book makes two basic assumptions First an accurate
picture of the content methods and goals of social studies courses is best obtained by analyzing a representative sample of
widely used textbooks Second the most important function of social studies courses is to develop skills of critical inquiry
among students The central purpose of this volume has been to assess critically the quality and content of elementary junior
high and senior high school social studies instruction in the United States today This volume tries to provide both
experienced and prospective teachers creative suggestions on how to use and evaluate existing social studies materials and
instructional procedures There are also guidelines for future developments in social studies teaching **California in a**
Time of Excellence James Andrew LaSpina, 2009-02-26 California in a Time of Excellence follows the Golden State's efforts
to reform its public school system from 1983 to the present Beginning with progressive curriculum reform initiatives that
were launched even before the National Commission on Excellence in Education NCEE issued A Nation at Risk in 1983 James
Andrew LaSpina traces these reform efforts through recurring culture wars major clashes of personality and a conflict
between the state's tradition of progressive educational policy and a culture of conservatism that colored much of the so
called Left Coast's history since the sixties While the battles over curriculum reform in California reflect those at the national
level the political world surrounding this conflict reveals the enormous significance of the conflict and its implications for our
