

CH. 3 NJ Driver's Manual
The New Jersey Driver License System

1. **Introduction**

Abstract • Stress impairs information processing in cultured brain tissue and is attributable to one of a number of possible mechanisms. We have used a rat brain slice model to test the hypothesis that stress impairs information processing by affecting synaptic transmission. Stress was induced by exposing slices to a 15-min period of 100% oxygen, which is known to induce a stress response in the brain. We found that stress impairs information processing by affecting synaptic transmission.
