

NHCC NACE I Testing for the LPN to RN Completion Program Academic Year 2020-2021 (Updated 12/1/2020)

Students applying for the LPN to RN Completion Option at NHCC + Concordia Community College are required to complete the National's exam for Nursing and NC Nursing Administration Challenge Exam—Module 1. Students are off Nursing exams (NACE II). This exam will be computer-based and proctored remotely by the NHCC.

Students are responsible for reviewing the NHCC Student Guide for the Plan, Nursing 2021 and following the directions to create their NHCC Student Account.

Students will receive a minimum duration score of 75 or higher to be considered for admission to the program.

The NACE I includes content related to nursing care to meet basic physiological and psychosocial needs. NACE I questions are written to the framework of the nursing process. This reflects the current approach for providing care to clients. For purposes of the NACE I, the steps of the nursing process are defined as follows:

1. **Assessing** – includes collecting physical, emotional and cultural data and interpreting signs, symptoms, and behaviors.
2. **Assessing** – includes interpreting data, identifying client needs and making nursing diagnoses.
3. **Planning** – includes setting goals, selecting outcomes for care and identifying correct techniques for giving care.
4. **Implementing** – includes responding appropriately to client needs for nursing care and using effective communication when giving interventions and/or teaching.
5. **Evaluating** – includes recognizing intended and unintended effects of measures and treatments, determining evidence of client's compliance with treatment plans and determining evidence of clinical response to treatment and treatments.

How to Register:

This exam will be administered on-line by the NHCC utilizing Proctorio, an Internet-based remote proctoring software. Examinees will be required to create a new NHCC Student Account and register for their NHCC NACE I exam with the NHCC directly.

The exam can be taken up to three (3) times per year. The examinee must wait a minimum of six (6) weeks between exam attempts. Examinees may select their exam date. However, it is the responsibility of the student to schedule their exam prior to the application deadline and following their career guidelines. Please note that test scores will be valid for one (1) year only.

Examinees will use NHCC's unique [LINK](#) link to create your **NHCC Student Account**; this link is included on last page of this document. Your NHCC user ID and actual link, as deliverer-screen will not be displayed on NHCC, which may result in students having to reenter and verify for the exam.
