

Even Its Stunning Sound
System Is Designed For
Maximum Driver Control.

Grand Prix STE Sport Sedan.

The duplicate-function steering wheel controls of the Grand PrixSM STE are more than just the logical extension of one of the most advanced entertainment systems ever built into a production automobile.

They're also tangible evidence of the painstaking detail lavished on the most refined sport sedan ever to wear the name STESM. A standard 140 hp, 3.1L V6, fully independent suspension and power four-wheel disc brakes with optional ABS underscore its mastery of the open road.

The true intent of STE's technological wizardry can be gauged with one session behind the wheel. And once you feel its commitment to quality, performance and excitement, you may never want to let go.
