took to create great cuisine D Amato through persistence skill and the help of his mentor Chef Peter Von Erp became the first American cook at Le Veau d Or and worked under Chef Roland Chénus through the groundbreaking opening of Le Chantilly Soon the heyday of classic French cuisine began to waned as rising chefs like D Amato began leading the spread New American dining To D Amato though the Midwest always signified home His culinary inventiveness was inspired in pllustrations by his childhood home located above his grandparents grocery store on the lower east side of Milwaukee It was a small apartment constantly filled with the sights of carefully prepared delicacies the smells of rich foods on the simmer and the many tastes of generations old Italian recipes Drawing on this influence as well as his rigorous training in classic French technique D Amato eventually opened Sanford in the same space his grandparents grocery store occupied In telling his story D Amato studs his narrative with 80 of his favorite recipes The book features both personal photos from his background and career as well as beautiful images of finished recipes Readers of Good Stock will come to believe as D Amato does that to create great food it doesn t matter if you re preparing a grilled hot dog or pan roasted monkfish what matters is that you treat all dishes with equal love soul and respect and try to elevate each dish to its ultimate level of flavor Good Stock combines Midwestern charm with international appeal as the perfect book for aspiring chefs culinary students and foodies everywhere
