Win at Work Shaun Belding, 2010-05-03 In today's competitive work environment it is essential to get ahead and get noticed. We do have control over our success in life; we have an opportunity every day to change the odds in our favour. *Win at Work* covers all the areas that we can change and take into our own hands such as winning with people, winning in the workplace, team tips, rules for making great impressions, how to achieve success. Each section contains approximately 20 short chapters with research references from a number of countries and anecdotal stories from the author's experiences around the world.

How to Control Your Career for Life Ford Donald Ford, Donald Ford, 2010 *How to Control Your Career for Life* takes you through the essential steps to help you find a new better job. The key is to know what you like doing, what you are good at, and what you find satisfying. This book will show how to determine where the jobs are and then how to market yourself effectively so that you get a job interview. It also provides detailed advice on having successful interviews. You have a new job, what do you do now? This book gives detailed instructions about what to do the first week of a new job; in addition, it shows specific ways to stay employed in the same job. The last chapter tells how to handle job changes with as little stress as possible. In this ever-changing job market, this is an important key to job survival. There is a very simple plan for reaching your full potential in any job. The following points are covered in this book: Identify your skills, Four job search techniques, Four ways to apply for a job, Considering self-employment, Writing effective resumes, Successful interview practices, On the job skills, Five ways to move ahead in your company, How to change jobs.
