My belief about myself as a learner when I entered the class was a positive one. I attended a college prep school for high school and went to Oregon State University last year. I had plenty of practice with different learning techniques and found what works well for me. I believe I'm more of a visual learner than an auditory learner. It is easier to see a powerpoint and retain the knowledge then listen to a lecture and have the same retention. Entering the class I thought I liked working in groups more than working individually on projects, but that has since changed. I think it is more beneficial to me to work alone because I can get more done. When I entered the class I believed that reading the material closer to the due date was a better idea because I may not remember what I had read if I didn't.

What I have discovered about myself, as a learner over the term is vast. I learned that I can read the material way in advance and just briefly skim over the text and remember just about everything, were as I thought reading closer was more beneficial. I also learned that working in groups really isn't my specialty. I prefer working by myself because I'm able to get a lot more done and not have to worry about other people forgetting their part of the project. I don't like having to worry about other people not following through. I also learned that looking at the daily record in advanced helped me

this vital legal skill and addresses a range of assessment methods from exam questions to final essays and problem answers. It considers how to deconstruct essay and problem questions and how to conduct and apply legal research to answer set questions. Lisa Webley explains how to reference others' work clearly and correctly, making this book a useful tool for students concerned about issues of plagiarism. It also focuses on how to develop and communicate legal arguments with both good and bad examples of written work considered and discussed in the text. Legal Writing is particularly useful for undergraduate students, especially at the beginning of degree studies, and to GDL and CPE students too. This fully revised third edition includes more guidance on reading, including speed reading techniques, and on note-taking skills. A wholly revised chapter on referencing to employ the OSCOLA style, which has become the default style of most UK law schools in recent years. More worked examples throughout the text and additional examples from across the legal curriculum on the companion website. An improved companion website with increased guidance for revision, FAQs, and more multiple choice questions allow students to test their progress and further engage with the topics in the book.

The Legal Academic's Handbook Chris Ashford, Jessica Guth, 2020-10-16. How do you become a legal academic? What skills and experience are necessary to progress your career? In which ways could you enrich your job? With contributions from more than 60 established academics, this handbook offers essential guidance on starting, pursuing, managing, and advancing a career in legal academia. Whether you are looking for ways to overcome challenges or to seek out new opportunities, this book provides practical advice through relevant research, personal experience, and anecdotal evidence. Four fictional academics who want to pursue different career paths in different academic institutions are introduced at the start of the book. Each chapter then delves into a specific topic from the perspective of one of these academics, including making the transition from legal practice, investigating gender issues, gaining recognition for teaching, building a research profile, and organising a specialist conference.

Taking Law Seriously James Goudkamp, Mark Lunney, Leighton McDonald, 2022-01-27. This book celebrates the scholarship of Peter Cane. The significance and scale of his contributions to the discipline of law over the last half century cannot be overstated. In an era of increasing specialisation, Cane stands out on account of the unusually broad scope of his interests, which extend to both private and public law in equal measure. This substantive breadth is combined with remarkable doctrinal, historical, comparative, and theoretical depth. This book is written by admirers of Cane's work, and the essays probe a wide range of issues, especially in administrative law and tort law. Consistently with the international prominence that Cane's research has enjoyed, the contributors are drawn from across the common law world. The volume will be of value to anyone who is interested in Cane's towering contributions to legal scholarship and administrative law and tort law more generally.

The Guide to Reflective Practice in Conflict Resolution Michael Lang, 2024-08-22. This book is a commonsense guide to becoming a reflective practitioner, written by a practitioner for practitioners. This second edition is fully revised and updated, incorporating extensive new material, emphasizing hands-on tools, worksheets, and guides, along with practical advice for

those interested in adopting reflective practice individually or in a group setting It also provides useful resources step by step instructions and more case studies and commentaries from practitioners Every person in a conflict resolution process sees the world differently and acts in a distinctive manner Yet by following well developed practice routines practitioners often fail to consider the unpredictability of human interactions and overlook behaviors that are inconsistent with their expectations To respond effectively to surprising and unpredictable events this book encourages practitioners to adapt their thinking so they can use their knowledge and skills when situations do not match their assumptions or are inconsistent with their practice routines This book also includes guest essays by Ava Abramowitz Jodie Grant Tzofnat Peleg Baker and Susanne Terry
