Both, said John, Thompson had a character and manner unlike those of others. They studied, collected, and observed nature "open" their minds to the world around them and their observations were not limited to the immediate surroundings. They collected the birds and the Thompsons collected the eggs of the song of birds and the Thompsons and the Thompsons collected the eggs of the song of birds, as a result of their work the song of birds was preserved in the Thompsons' collection. Thompsons collected the song of birds, the song of birds was preserved in the Thompsons' collection. Thompsons collected the song of birds, the song of birds was preserved in the Thompsons' collection.
