

NISSAN

EXCEPTIONAL. WITHOUT COMPROMISE.

FOREWORD

When Nissan introduced the first car, the Datsun 100, in 1913, it was a small, simple car. But it was a car that was built to last. And it was a car that was built to be used. It was a car that was built to be a part of your life. And it was a car that was built to be a part of your future. Today, Nissan is proud to introduce the new Nissan Xterra SE. It's a car that's built to last. It's a car that's built to be used. It's a car that's built to be a part of your life. And it's a car that's built to be a part of your future.
