Mergent International Manual ,2001 **Forged in War** R. David Lankes,2021-05-15 I deal for readers seeking a more comprehensive look at information dissemination technology its context and its impact on the way in which we now live Library Journal Starred Review Many of what we think of as Information Age tools and media computers cell phones the internet encryption and more evolved directly out of modern warfare These tools started with World War I which began not with arms but with England cutting off underwater cables to Germany and isolating it accelerated through World War II and the Cold War and now play a center role in both declared and non declared conflicts like election interference and cyberbattles We buy phones and smart speakers because they are new and unlock great potential Voice assistants like Siri and Alexa help us do our work and answer that one piece of trivia that bugs us Yet these devices are data gatherers They collect repackage and monetize our questions purchases photographs web surfing to form a data industry now larger than the oil industry Well over 100 years ago the data industry put in place a business model that trades our attention for news and entertainment That model has evolved into a complex art and science of message targeting and content ownership that has splintered communities while simultaneously concentrating media ownership to a few massive corporations Forged in War takes a critical look at the systems we use and how we ended up in a society that values data over personal liberty and commerce over the public good It tells a compelling and previously story of how our ideas of information and knowledge reflect the century of war that has militarized our worldview Author David Lankes s work has been funded by organizations such as The MacArthur Foundation The Institute for Library and Museum Services NASA The U S Department of Education The U S Department of Defense The National Science Foundation and The U S State Department This his latest book will help all of us learn how war has shaped our world and how to begin to create an agenda to stand down weaponized data and a media that seeks to own our personal even intimate data like one owns a gold mine **Wolfe** Dayton C. Gifford,2019-12-18

Wolfe Dayton C Gifford After the beloved Mayor of Seattle is found dead in his office his cause of death is deemed a heart attack But to those close to him this account seems impossible Could there be another explanation Enter Detective Atticus Wolfe a deaf reserved detective who has many methods to discovering the truth With the help of his assistant and friend Julie Hart Wolfe flies to Seattle to search for clues interrogate suspects and figure out who would do such a horrible thing Family co workers and strangers are all suspected of being involved but where to start Amidst his work Atticus comes across something he has never felt in his life love The daughter of the deceased has eyes for the young detective But can he trust her in such uncertain times Join Atticus Wolfe on a mystery that is sure to surprise and entertain
