 Swindoll, 1995-04 This study guide from the Gospel of Luke focuses on Jesus training program for the Apostles as he prepares
 them for the aftermath of his death and resurrection **What's the Least I Can Believe and Still Be a Christian? New
 Edition with Study Guide** Martin Thielen, 2013-02-13 Pastor and author Martin Thielen has compiled a list of ten things
 people need to believe and ten things they don't in order to be a Christian This lively and engaging book will be a help to
 seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with
 With an accessible storytelling style that's grounded in solid biblical scholarship Thielen shows how Christians don't need to
 believe that sinners will be left behind to burn in hell or that it's heresy to believe in evolution And while we must always take
 the Bible seriously we don't always have to take it literally At the same time Christians do need to believe in Jesus his life his
 teachings his death and resurrection and his vision for the world A great benefit of those beliefs is that they provide
 promising answers to life's most profound questions including Where is God What matters most What brings fulfillment What
 about suffering Is there hope Thielen articulates centrist mainline Christianity in a way that's fresh and easy to understand
 and offers authentic Christian insights that speak to our deepest needs This new edition includes a leader's guide previously
 only available online and a new introduction from the author that reflects on the book's reception The leader's guide features

unique and easily implemented aids for carrying out a seven week congregation wide initiative that will help local churches reach out to their communities More information is available at thielen.wjkbooks.com **Practical Christianity** Joseph E. Del Giorgio, 2013-03-14 Is Practical Christianity an oxymoron Should the gifts of the Holy Spirit be limited to the rectory basement on Thursday nights Does one have to be Charismatic to be charismatic Practical Christianity Releasing the Holy Spirit says No no and no It puts forth the proposition that those who are baptized into Christ have been given all the gifts the Spirit has to give in potential to be used when and as needed St Paul makes it clear that the gifts of the Spirit are primarily for the benefit of the community but can they not also be used to assist and guide everyday Christians living everyday lives doing everyday things To that Practical Christianity says Yes In an informal manner Practical Christianity spells out how you can access the gifts that were given to you at baptism If you have already asked for the release of those gifts Practical Christianity can assist you in using them to help and guide you when you attempt to make decisions in the Lord You can also learn how to use the gifts to meet the sometimes seemingly overwhelming challenges of daily life Does joy elude you Does peace slither away all too quickly Do you have difficulty maintaining self control Well then read on Solomon Charles R. Swindoll, Dr Charles R Swindoll, Dr, 1987-05 Someone Died Now What? a Youth Pastor's Survival Guide Tom Morris, 2010-06-25 So you are a Youth Pastor or Youth Worker and someone dies It could be the grandparent or parent of a youth in your ministry Or it could be a youth in your youth who is killed in a terrible accident or it could be a student in a local high school or middle school How will you respond to help the families the individuals in your youth group or the youth in the local high school Could it be that God has put you in the situation for a divine purpose I think that is why you are reading this now I don't believe in accidents I'd venture to guess that there is a reason behind why you are reading this even now This is not the typical book for a youth pastor But this book is about real life problems that happen everyday and in some way affects many of the youth in your group and could be a way to come to know others deeply in a matter of hours **Hell** Anthony DeStefano, 2020-06-16 The best book on hell ever written Dr Eastman founding member and president America's National Prayer Committee Anthony DeStefano the bestselling author of A Travel Guide to Heaven takes us on an exploration of hell the devil demons and evil itself Written with clarity logic and vivid storytelling Hell A Guide takes up questions such as Is hell a place or a state of being What does hell look like What kind of suffering do people in hell experience What are the devil and demons really like Rooted in solid orthodox Christian scholarship this one of a kind book investigates everything there is to know about one of the most fascinating yet often misunderstood subjects of all time The Publishers' Trade List Annual, 1992
