Congress, 1982 *I Know the Plans I Have for You* Ron Coleman, 2023-07-17 As a teenager Ron Coleman passed up some pretty amazing opportunities all for reasons even he didn't understand Upon graduation from high school and with no goals or ideas in mind about his future he drifted along for a while It was a very uncertain time The Vietnam War draft was a looming threat to all able bodied males of that age group Eventually with the draft about to call his number he felt forced to enlist in the Air Force Scared to death but much to his surprise this new life led him on a path he never could have imagined While reflecting back on his life during preparations for his second and final retirement Ron realized just how much God had influenced every aspect of his journey What if he didn't have those surgeries as a toddler What if he had been allowed to play sports at an earlier age Why didn't he go to college when it was first offered All he really knew for sure in those earliest years was that he was forced to go to church far more often than he wanted What Ron wasn't aware of during all those church attendances was that God's love was quietly and securely being planted in his heart and mind His faith he learned later was what had sustained him and stood out as a very important part of his life It was only when he took the time to think about everything that had happened in his life that he could see God's fingerprints on it all Ron's story then gives credit where credit is due and hopefully enables others to know where and how to seek help when needed 1 **The International**

Teamster ,1988 *Stories of an Unknown* J.P. Sonntag, 2025-03-14 I've been told that I had a brother for about a day back in 1959 My little brother Donald only lasted a few hours and then he had to go back and try again with someone else After Donald died I continued as an only child for the remainder of my life I had very little guidance on any given subject My life started in 1957 in a whirlwind of social turmoil When I was too young for school I stayed with babysitters while Mom worked as much overtime as she could in order to pay our bills Once she escaped her wife beating husband my single mom tried her best to make enough money to keep her and me above water and in a better place than the mean streets of St Louis This book outlines the main events of my life as I struggle to learn what it means to be a man a good man a righteous man Without the guidance of a father siblings and only a part time mom my path was not an easy one The stories in this book take you along on my ride to manhood Scanning this QR code will take you to a playlist of songs that accompany this book

Sears**,1985 *In the Godfather Garden* Richard Linnett,2013-04-01 In the Godfather Garden is the true story of the life of Richie the Boot Boiardo one of the most powerful and feared men in the New Jersey underworld The Boot cut his teeth battling the Jewish gang lord Abner Longy Zwillman on the streets of Newark during Prohibition and endured to become one of the East Coast s top mobsters his reign lasting six decades To the press and the police this secretive Don insisted he was nothing more than a simple man who enjoyed puttering about in his beloved vegetable garden on his Livingston New Jersey estate In reality the Boot was a confidante and kingmaker of politicians a friend of such celebrities as Joe DiMaggio and George Raft an acquaintance of Joseph Valachi who informed on the Boot in 1963 and a sworn enemy of J Edgar Hoover The Boot prospered for more than half a century remaining an active boss until the day he died at the age of ninety three Although he operated in the shadow of bigger Mafia names across the Hudson River think Charles Lucky Luciano and Louis Lepke Buchalter a cofounder of the Mafia killer squad Murder Inc with Jacob Gurrah Shapiro the Boot was equally as brutal and efficient In fact there was a mysterious place in the gloomy woods behind his lovely garden a furnace where many thought the Boot took certain people who were never seen again Richard Linnett provides an intimate look inside the Boot s once powerful Mafia crew based on the recollections of a grandson of the Boot himself and complemented by never before published family photos Chronicled here are the Prohibition gang wars in New Jersey as well as the murder of Dutch Schultz a Mafia conspiracy to assassinate Newark mayor Kenneth Gibson and the mob connections to several prominent state politicians Although the Boot never saw the 1972 release of The Godfather he appreciated the similarities between the character of Vito Corleone and himself so much so that he hung a sign in his beloved vegetable garden that read The Godfather Garden There s no doubt he would have relished David Chase s admission that his muse in creating the HBO series The Sopranos was none other than Newark s erstwhile Boiardo crew **Press Summary - Illinois Information Service** Illinois Information Service,2004-04
