No Peace For Amelia Amelia Pim 2:

Irish Children's Literature and Culture Keith O'Sullivan, Valerie Coghlan, 2011-03-17 What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children's literature whatever the parameters in comparison with Ireland's contribution to adult literature in the twentieth century This volume looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with all the major forms and genres Topics include the gothic the speculative picturebooks poetry post colonial discourse identity and ethnicity and globalization Modern Irish children's literature is also contextualized in relation to Irish mythology and earlier writings thereby demonstrating the complexity of this fascinating area The contributors who are leading experts in their fields examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one This groundbreaking work is essential reading for all interested in Irish literature childhood and children's literature

The Oxford Handbook of Modern Irish Fiction Liam Harte, 2020 Presents essays by thirty five leading scholars of Irish fiction that provide authoritative assessments of the breadth and achievement of Irish novelists and short story writers

Studies in Children's Literature, 1500-2000 Mary Shine Thompson, 2004 Ranging from the fundamental question whether a children's literature is possible or what its formal and contextual parameters might be to the exigent issues of contemporary cultural studies this essay collection inserts children's literature into literary theoretical and historical debate
