Night Section 1

Directions: Answer the following questions to the best of your ability and in COMPLETE sentences. Make sure that you answer all parts of each question.

1. What was the most important part of Elie's life? What were his dreams? How did his father react to this, and why?

He describes himself as a serious student of religion. Elie feels that religion is in his heart. He can't explain why, but he hopes to study until the time when questions and answers become one. His father believes that he is too young to be studying the Kabbalah and the ideologies of mysticism.

2. Who teaches Elie the Kabbalah?

Moshe the Beadle teaches Elie the Kabbalah.

3. Briefly explain at least one thing that happened to Elie's Kabbalah teacher after he was expelled from Tighet.

He and the other foreign Jews had been taken by train through Hungary and into Poland. They were taken to a forest and made to dig graves. Then the Germans killed them. Moshe escaped because he had been mistaken for dead, although he was just wounded. He said he returned to tell the Jews to prepare themselves before it was too late.

4. After Passover, list one of the many restrictions that the Germans place on the Jewish people of Tighet.

On the seventh day of Passover the Germans arrested the Jewish community leaders. The Jewish residents were not allowed to leave their houses for three days. At the end of the three days the Jews had to start wearing the yellow star. Two new ghettos were set up. On the Sabbath before Passover, Elie attended an extraordinary meeting of the council. When he returned, he told the others they were all to be deported, starting the next day.

5. What news did Elie's father bring back from the council meeting?

One day Elie's father is suddenly summoned to a meeting of the Jewish council. When he returns from the meeting, he tells them that all the Jews are to be deported to an unknown destination and that they will only be allowed one bag per person.

Bonus: How many people could fit into the cattle cars?

80 people.
