

## 5 Using Your Headset with your Bluetooth Mobile Phone

### Pairing your Headset to your Bluetooth Mobile Phone

- 1 Turn on your mobile phone and enable Bluetooth. For most phones select **Settings>Tools>Connections>Bluetooth>On**. See your phones user guide for more information.
- 2 Power the headset off by pressing and holding the call control button for six seconds. The headset indicator light will be red for four seconds.
- 3 Press and hold the headset call control button for six seconds or until the red and blue indicator lights flash alternately.

**NOTE** The headset will stay in pairing mode for two minutes.

- 4 Use the commands on your phone to locate the headset. For most phones select **Settings>Tools>Connections>Bluetooth>Search>Savi Go WH100**. See your phones user guide for more information.

- 5 When prompted for a passkey, enter 0000 (4 zeros). The headset indicator light will flash blue when paired successfully.

**NOTE** For detailed pairing instructions for popular mobile phones visit: [www.plantronics.com/easytopair](http://www.plantronics.com/easytopair).

### Placing, Answering, and Ending Calls with your Headset and Bluetooth Mobile Phone

|                                                                               |                                                                                                                                                      |
|-------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| To place a call                                                               | Dial number on your mobile phone keypad                                                                                                              |
| To answer a call                                                              | Short press call control button.                                                                                                                     |
| To answer a call when already on an active Microsoft Office Communicator call | Short press the call control button to end the Microsoft Office Communicator call, then press again to answer your mobile phone call                 |
| To end a call                                                                 | Short press call control button.                                                                                                                     |
| Redial last number*                                                           | Double tap call control button. There will be a high tone on each press. A final tone indicates the last number has been redialed.                   |
| Activate voice dialing*                                                       | Press and hold call control button for two seconds. First tone on key press start followed by a second tone which indicates voice dial is activated. |
| Reject a call                                                                 | Press and hold call control button until you hear two tones.                                                                                         |
| Transfer a call from your mobile phone to your headset                        | Press and hold call control button for two seconds until you hear a long tone.                                                                       |
