Contemporary Security Governance in Nigeria Al Chukwuma Okoli, Folahanmi Aina, 2024-08-22 Contemporary Security Governance in Nigeria Themes and Perspectives examines the theory practice and challenges of contemporary security governance in Nigeria and argues for the prioritization of security governance in state affairs Al Chukwuma Okoli Folahanmi Aina and the contributors address the role of security in state steering the role of the state in security the conceptual and theoretical frames underpinning contemporary discourse on security governance and the current position of security governance and national security architecture in Nigeria The book begins with an examination of security governance theory context and dimensions followed by presenting strategies of security governance such as

intelligence oversight and ends with analysis of state foreign and non state actors roles in security governance It covers important issues such as state legitimacy public emergencies intelligence oversight civilian led community policing and Operation Safe Corridor This book provides an important contribution for scholars in governance and security and all stakeholders in governmental and non governmental organizations that promote national security **Een plattegrond van de macht 2024** Carl Devos,2024-10-18 Wat is politiek Is de Belgische politiek in handen van een elite En is er nog wel echt sprake van democratie Met deze en andere intrigerende vragen beginnen de auteurs van Een plattegrond van de macht elk hoofdstuk Elke paragraaf brengt de lezer vervolgens een stukje dichterbij het antwoord Verkiezingen partijen of Europa elk onderwerp wordt stap voor stap uiteengezet en de lezer krijgt de noodzakelijke uitleg aangereikt om de thematiek te kunnen begrijpen Volledigheid noch specialisatie is de bedoeling van dit handboek Wel wordt een stevige basis gelegd waarna de lezer via de vele referenties naar literatuur zelf verder op verkenning kan gaan in de wondere wereld van politiek en politicologie Zo blijft het boek ook lang na de studies een handig naslagwerk **Barack Obama and the Arab Spring** Ahmed Y. Zohny,2021-06-22 In Barack Obama and the Arab Spring A Successful Balancing Act of Foreign Policy and Diplomacy Ahmed Zohny develops a well blended marriage of history and political theories of U S foreign policy diplomacy public diplomacy and national security In this interdisciplinary research he uses data and findings from both the Arabic and English languages by genealogically examining President Obama s foreign policy and diplomacy in response to the chronology of the unfolding events of the 2011 Arab Spring in Tunisia Egypt Libya Syria Bahrain and Yemen President Obama and his top diplomats performances in response to each country s events are assessed critically analyzed and compared to one another in terms of the U S bilateral relations with each country U S national interests and her strategic goals in the Middle East region The findings of this research indicate that President Obama s foreign policy and public diplomacy toward the Arab Spring proved to be a successful balancing act prudent and in the best national interests of the United States in the Middle East

Small State Irregular Warfare in the Twenty-First Century Marius Kristiansen,2023-08-23 From a Norwegian perspective and by focusing on the Special Operations Forces component within the Norwegian Armed Forces this book provides a scholar practitioner s perspective on how to increase the strategic utility of different types of military efforts in an SSA context The overarching project encompasses a wide range of elements for understanding the contemporary security environment and in particular how the military component fits into the strategic picture within an international context for small states It shows that small states must be aware of the different limitations for existing strategic options for the various actors involved It also outlines the strategic utility of potential niche capabilities and how elements within the Norwegian Armed Forces can take on a strategic enabling role for Norway bilateral partners and even coalitions in future conflicts Small State Irregular Warfare in the Twenty First Century serves as both a guide and a handbook on how small states might utilize SSA as an instrument of national power to meet national strategic objectives **Why Don't Americans Vote?** Bridgett A.

King, Kathleen Hale, 2016-07-11 This timely book provides a thought provoking discussion of issues that influence voter registration and turnout in contemporary America Elections not only determine who will fill an office they have a lot to say about how the democratic process works or doesn't work in 21st century America This fascinating book sheds light on that question by focusing on factors that currently shape elections and political participation in the United States It covers issues that are consistently in the media such as gerrymandering voter ID and rules pertaining to when where and how Americans register and vote But it also goes beyond the obvious to consider issues that are often overlooked civic education and engagement citizen apathy and political alienation for example The volume begins with an introduction to elections that includes a discussion of the history of voting in the United States Each subsequent chapter covers a different topic relative to registration and voting It addresses matters of education as well as socialization mobilization and the legal and political structures that shape U S political participation Ideal for readers who may be considering such concerns for the first time the work will foster an understanding of why political participation is important and of the causes and consequences of non voting

Dayne Lin, 1996 **Comparative Politics** Vidya Bhushan, 2006 Comparative Politics Which Helps In The Study Of Ever Increasing Political Problems In A Scientific And Systematic Way Has Witnessed Not Only Development On A Scale Never Reached So Far But Has Become More And More Popular In These Days Moreover By Providing Fresh And Exciting New Laboratories For The Analysis Of Political Developments The Emerging States Of Asia Africa South East Asia Latin America And Middle East Have Significantly Expanded The Universe Of Comparative Politics In Spite Of All These Development Not Many Broad Ranged Books On This Discipline Are Available To The Indian Students Thus In Order To Introduce The Indian Students To The Subject Of Comparative Politics The Present Volume Though Rich In Material Written In Simple Language And Handy In Size Is Designed To Present A Simplified Description Of Different Aspects Of Comparative Politics The Book Will Not Only Cater Well To The Requirements Of Those Engaged In The Study Of Comparative Politics For Postgraduate Degree In Indian Universities But Also Be Equally Useful To Those Interested In Acquiring A Core Knowledge Of This Fast Expanding Discipline Of Political Science

Interest Groups and the New Democracy Movement in Hong Kong Sonny Shiu-Hing Lo, 2017-09-13 A new era in the democracy movement in Hong Kong began on July 1 2003 when half a million people protested on the streets and has included the 2012 anti National Education campaign the 2014 Occupy Central Movement and the rapid rise of localist groups The new democracy movement in Hong Kong is characterized by a diversity of interest groups calling for political reform policy change and the territory's autonomy vis vis the central government in Beijing These groups include lawyers teachers students nationalists workers Catholics human rights activists environmental activists and intellectuals This book marks a new attempt at understanding the activities of the various interest groups in their quest for democratic participation governmental responsiveness and openness They are utilizing new and

unconventional modes of political participation such as the Occupy Central Movement cross class mobilization the use of technology and cyberspace and human rights activities with cross boundary implications for China s political development The book will be useful to students researchers officials diplomats and journalists interested in the political change of Hong Kong and the implications for mainland China **Women's Political Visibility and Media Access** Oladokun

Omojola,2014-06-12 The constitutions of most countries frown at gender discrimination Local multinational and multilateral organizations in many developed and developing nations have instituted policies and taken actions that address cases of injustice against women But gender inequity appears to be an issue beyond what constitutional provisions and corporate strategies can address How for instance does a statutory provision guarantee the equal visibility of men and women in a news report especially in a neoliberal democracy where the general patriarchal character of the media aligns with the logic of commercialism which prioritizes profit and targets mainly those who have the means of purchase The invisibility of women in the media is a global issue and a great concern in Africa Women s Political Visibility and Media Access The Case of Nigeria however is about a country of over 160 million people a population roughly divided equally between male and female The book through empirical analyses and qualitative discourses agglomerates several perspectives regarding the visibility of women in the turbulent Nigerian political terrain and the response of the media in that direction in a concerted effort to resolve the burning issues of gender equality in Nigeria The book assesses the impact of aggressive tactics from women in the political arena conscious reporting of women by journalists and the increased use of ICTs by women as practical ways of bridging this wide gap **IR** Michael G. Roskin,Nicholas O. Berry,2014 Written from Mike Roskin s unique and engaging

point of view IR arms students with a direct and down to earth understanding of contemporary international relations This text surveys key events in world history as well as fundamental theoretical concepts to trace the international system s evolution and to assess its future Putting the behavior of global actors into more complete context IR helps students think critically about the challenges faced by the United States in an era of globalization Political Science Revitalized Michael Haas,2017-07-28 Political science has been described as a jigsaw puzzle with many specializations and subfields that do not talk to one another This book offers a solution that will advance the field from mid level theory to engage in cross fertilization through metatheoretical paradigms The book begins with a history of political science from the nineteenth century to the present followed by a paradigmatic history of political science including 6 metatheories in the pre behavioral era 12 in the behavioral era and the 4 major and several minor paradigms being developed today The book advances the goal of David Easton by proposing a neobehavioral political science including multimethodological innovations cross testing of paradigms and tenets of a new political science that can rise to become a truly theoretical science Each paradigm is diagramed to demonstrate the key concepts and their causal interconnections Political Science Revitalized Filling the Jigsaw Puzzle with Paradigms poses an exciting and provocative argument for the future of the vast field of political science **Encyclopedia**

of Careers and Vocational Guidance: Career articles, PHY-Z, 2011 Provides detailed facts and current statistics for over 750 occupations in more than 90 key career fields Contains more than 500 photographs **The Africana World Mammo Muchie**, Sanya Osha, Matlotleng P. Matlou, 2012 Collected papers from the first Scramble for Africa conference held from 25 to 27 May 2011

Teaching Political Science to Undergraduates Laure Paquette, 2016-01-15 By 2020 half of the world's population and most university students will have a supercomputer in their pockets This revolution will affect the way students respond to higher education The university classroom must henceforth engage students and the classic lecture format alone might not be enough to do so This book answers the question how university students can learn in the classroom what they cannot learn in any other way The answer is inspired by options that are not available to political scientists in the way that they are in the laboratories for the sciences in the performances for the live arts and in the studios for visual arts as well as ideas that are already present but not widespread in the discipline problem solving and case studies as in the professional schools and simulation exercises in many other disciplines This book proposes therefore an active pedagogy for political science at a time when active pedagogy is more important than ever Prof Laure Paquette PhD has been a visiting researcher or professor in 23 countries She has advised several foreign governments as well as her own Canada and has published extensively in four languages This is her sixteenth book

European Politics Jan-Erik Lane, Svante Ersson, 1996-08-19 This comprehensive textbook is the first to go beyond a West European perspective and provide a clear overview of the whole of European politics Jan Erik Lane and Svante Ersson address the similarities of key political features among states in Western Central Eastern Northern and Southern Europe and look forward to political developments at the turn of the century Traditionally books have polarized Europe by focusing on points of divergence European Politics provides a thoroughgoing analysis of several converging themes including political culture the nature of the state party systems and the formation of government and public policies With this approach to economic social and political aspects of politics in Europe this major text presents a Europe that within the context of reform transition and integration has more in common in the early 1990s than ever before With a clear thematic structure and helpful discussions of data drawn from some 30 countries European Politics offers both an accessible and genuinely comparative text which will be essential reading for student and researcher alike

Spain After Franco Richard Gunther, Giacomo Sani, Goldie Shabad, 2023-11-15

Spain's Transition To Democracy Andrea Bonime-blanc, 2019-07-09 After the death of longtime dictator Generalissimo Franco in 1975 King Juan Carlos acted decisively to institute a dramatic change in Spanish politics By appointing an unknown Christian democrat Adolfo Suarez as prime minister the king paved the way for the transformation of Spain from an authoritarian regime to a liberal democracy Central to this singular transition was the formulation of the new Spanish constitution an unusual process of political give and take Dr Bonime Blanc examines the evolutionary phases of the constitution making process describing the conflicts maneuvers and compromises of the principal political players involved Analyzing the

negotiations and their constitutional results she pinpoints the factors that make a successful transition to democracy possible In her closing chapter the author illustrates the lessons of the Spanish case and their practical implications for future transitions to democracy

American Nation-Building Kevin Dougherty, Robert J. Pauly, Jr., 2017-09-20 Nation building efforts by the United States and the international community have led to both success and failure overwhelming support and debilitating controversy Some are motivated by national security interests others by humanitarian concerns They seem to have exploded since the end of the Cold War but in fact have long been used as a foreign policy tool What they all have in common is a substantial investment of troops treasure and time There is no formula each operation is unique with lessons to be learned and trends noted Examining the history of America s experience this book describes the mechanisms behind what often appears to be a haphazard enterprise
