lazy then you can always use the plain store bought pre popped variety just make sure you check the packaging for artificial nasties Most of the ingredients for these recipes can be found at your local grocery store or deli but if you get stuck then the slightly more unusual ones can also be bought online via this special page on my website www.greengourmetbooks.com ing Enjoy preparing and sharing Lori x P S If 30 recipes isn't quite enough for you then check the back of the book to find out how to get another 12 absolutely free
