Industrial and Everyday Life Applications Jessie Y. C. Chen, Gino Fragomeni, 2020-07-10 The 2 volume set of LNCS 12190 and 12191 constitutes the refereed proceedings of the 12th International Conference on Virtual Augmented and Mixed Reality VAMR 2020 which was due to be held in July 2020 as part of HCI International 2020 in Copenhagen Denmark The conference was held virtually due to the COVID 19 pandemic A total of 1439 papers and 238 posters have been accepted for publication in the HCII 2020 proceedings from a total of 6326 submissions The 71 papers included in these HCI 2020 proceedings were organized in topical sections as follows Part I design and user experience in VAMR gestures and haptic interaction in VAMR cognitive psychological and health aspects in VAMR robots in VAMR Part II VAMR for training guidance and assistance in industry and business learning narrative storytelling and cultural applications of VAMR VAMR for health well being and medicine **DERSAADET** JEASTRA, This book was written to change the world For many years the world peace that people dreamed of remained an unattainable utopia However the Dersaadet project tells a story that sets out with the hope of turning this dream into reality This book The Door to Happiness is the first in a four book series that is planned to be adapted into a 40 episode animated series It reflects the most beautiful times history and culture of Istanbul revealing the path to world peace Dersaadet means The Gate of Happiness and is the old name of Istanbul symbolizing the city s unique beauty However in this story this word transforms into a utopian parallel universe where harmony advanced technology and profound peace prevail representing a life philosophy that encompasses not just a city or place but the entire world This philosophy is based on the belief that all living beings are parts of a whole and that world peace is essential for living in a healthy and harmonious Gaia The heroes of our story Saadet and her family take significant steps toward establishing world peace by overcoming their inner struggles and societal obstacles From Saadet s work related issues to her personal dramas this story which brings together historical figures and fictional characters will make readers both think and feel deeply Behind every character and every event lies a powerful message about humanity coming together to create a better world As

you read this book you will be reminded that world peace is not just a dream but an achievable goal through collective effort. You might even start thinking about your contributions to this path and imagining the beautiful life you will live once world peace is achieved. Become a part of this peaceful world with Dersaadet and let's build a better future together. This is a work of fiction. While as in all fiction the literary perceptions and insights are based on experience, all names, characters, places, and incidents either are products of the author's imagination or are used fictitiously. The core idea of this work is that it's not the people who are bad; it's the system that's broken. Therefore, the critique in this book is not directed at individuals, institutions, or groups but rather at the systems that hinder the goodness within people and prevent us from reaching our true potential. We thank all the wonderful people who inspired this novel and contributed to making it more captivating. World Peace is not impossible; it is inevitable. Enjoy! Happy reading.
