**Recipes and Reminiscences from 25 Years on the Rubber Chicken Circuit** Sandra Stekl Hynson, 2000 **100**  
**Recipes** America's Test Kitchen, 2015-10-13 A provocative handpicked collection of relevant and surprising essential recipes for today's cook. We have countless recipes at our disposal today, but what are the real keepers, the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen? At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: 100 Recipes Everyone Should Know How to Make. Organized into three recipe sections: Absolute Essentials, Surprising Essentials, and Global Essentials, each recipe is preceded by a thought-provoking essay that positions the dish. For example: Treating Pasta Like Rice Simplifies Everything, A Covered Pot Is a Surprisingly Good Place to Roast a Chicken, and Reimagine Pie in a Skillet to Simplify the Process. You'll find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff, genius techniques for producing amazing flavor (try poaching chicken breasts over a garlic and soy-spiked brine), trust us, it's that good, and familiar favorites reinvigorated (the best beef stew comes from Spain and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography shot right in the test kitchen accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, 100 Recipes Everyone Should Know How to Make provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen.

Your friends and lovers will marvel as you show off your culinary worldliness whipping up meals with fish sauce splattered panache and all the soy-soaked ginger scallion goodness you could ever want all for dinner tonight. You'll never have a reason to order take-out again.

**Talking with My Mouth Full** Bonny Wolf, 2013-12-10 What does America really eat? Which recipes do real home cooks turn to again and again? More often than not, they are dishes handed down from great aunts and painstakingly copied out of smudged recipe boxes rather than the creations of celebrity chefs. Bonny Wolf, food commentator for NPR's Weekend Edition, writes about the great regional and family food traditions in this country: birthday cake and dinner party food, hearty American breakfasts and Fourth of July picnic dishes. In *Talking with My Mouth Full*, she writes stories about food and also about the people who eat it. This book gives a snapshot of the American traditions that have contributed to what and how we eat. Food trends come and go, but many delightful national treasures: bundt cake, barbecue,

roast chicken fair food are timeless Each of Bonny Wolf s chapters whether she s writing about true regional specialties like Minnesota s wild rice Texas Blue Bell ice cream or Maryland s famous crab cakes or about family favorites like noodle pudding or Irish raisin soda bread ends with a perfectly chosen group of recipes tantalizing and time tested In the tradition of Laurie Colwin s Home Cooking Talking with My Mouth Full is a book you will turn to over and over for wonderful food writing and recipes for comfort food a great nosh or the ideal covered dish to take to a potluck supper Speakeasy Jason Kosmas,Dushan Zaric,2010-10-12 Time honored cocktails like the New York Sour and the Sidecar were born during the era of Prohibition the blessedly bygone social experiment that turned drinking into an underground adventure In those days hard beverage options were usually made with homemade hooch and flavorings of dubious origin and quality Thankfully a cocktail renaissance has emerged in many of today s bars where inventive drinks showcase both the artistry and craft of bartending At their moody and atmospheric West Village bar restaurant Employees Only master mixologists Jason Kosmas and Dushan Zaric can regale you with colorful tales of cocktail origins or just pour you a mean drink In Speakeasy Kosmas and Zaric take their inspiration from traditional favorites then use the finest spirits the freshest ingredients and a good measure of reverence for their craft to elevate the mixed drink to artisanal status More than 80 imaginative libations that riff on the classics are showcased in this one of a kind collection Recipes emphasize fresh fruits and herbs homemade syrups and infusions and a careful balancing of flavors with a mind toward seasonality A Ginger Smash is offered in four different versions kumquat pineapple pear or cranberry depending on the time of year The Millionaire becomes the Billionaire with the addition of homemade grenadine and 107 proof bourbon And the South Side becomes the West Side by replacing the gin with sun kissed Meyer lemon infused vodka With the specter of Prohibition firmly in the past Speakeasy shares recipes for the choicest potent potables reimagining the finest drinks of yesterday for today s thirsty imbibers **Home-Ec 101** Heather Solos,2011-03-03 Real Skills for Real Life From keeping your home clean and in good repair to preparing your own food self sufficiency rocks Having an understanding of the domestic arts gives you a sense of control over your life These skills also help you save money not by chasing deals but by teaching the principle of the mantra Use it up wear it out make it do or do without Life skills are the essence of frugality Whether you just moved out of your parent s basement or you cut the apron strings a while ago you ll learn the skills you need to manage your household Inside you ll find Quick easy cleaning solutions for every room of the house so you can get the job done and get on with life Instructions for removing stubborn stains and offensive odors from fabric Simple fixes to wardrobe malfunctions including broken zippers missing buttons and fallen hemlines Troubleshooting advice for common problems with home appliances A minimum home maintenance guide to prevent or catch major repair problems A basic plumbing tutorial that includes clearing and preventing clogs stopping a running toilet and retrieving items dropped down a drain Ideas for healthy and fast meal planning so you can start cooking and stop relying on takeout or preservative packed convenience food Definitions of common cooking terms and techniques
