

1 PURPOSE

- 1.1 This document describes the policies and procedures for developing, implementing, and revising policies and procedures for the UW Institutional Review Board (IRB) and the Human Subjects Division (HSD).

2 POLICIES

- 2.1 HSD has and maintains written policies and procedures for the major functions of the UW IRBs and HSD. As required by federal regulations, this includes procedures which the IRB will follow for:
 - 2.1.1 Conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and institution;
 - 2.1.2 Determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and
 - 2.1.3 Ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to subjects.
- 2.2 HSD and IRB policies and procedures must be consistent with:
 - 2.2.1 Applicable federal and state regulations;
 - 2.2.2 The terms of the UW's Federalwide Assurance (FWA);
 - 2.2.3 UW Executive Order No. 24.
- 2.3 The HSD Director has delegated authority from the Vice Provost of Research to develop, implement, and revise policies and procedures for the IRB and HSD (Reference 7.3).
 - 2.3.1 The HSD Director is expected to consult with other UW offices, groups, and individuals in developing policies and procedures, and in interpreting regulations and regulatory guidance.
- 2.4 As established by the Vice Provost for Research (Reference 7.3), policies must have the written concurrence of the Institutional Official listed on the UW's FWA.
- 2.5 Procedures should provide sufficient step-by-step description with key operational details so that an independent observer can understand how HSD and the IRB operate and conduct their major functions.
