The Essential Guide to Managing Small Business Growth Peter Wilson, Sue Bates, 2005-01-21 A cliché it may be but we are living in ever more turbulent times Business decision making has become more challenging and unpredictable than ever we see unforeseen and often cataclysmic changes in consumer demand both at home and in export markets customers continue to demand more more quickly and for less new laws and regulations abound competitors steal loyal customers and increasingly the advice that once could be found from a Small Business Adviser has been replaced by a call centre Hand in hand with these challenges the risks associated with expansion or a new strategy have grown significantly In the context of a small business where a manager has not necessarily had the breadth of experience of someone in a larger organization or formal management learning they can seem extremely daunting This book addresses the issues confronting managers owners of SMEs by providing practical jargon free advice on which a SME can create a sound platform from which to prosper Uncomplicated and jargon free to appeal to the SME director or manager who has little time to read Can be used as a continuous read or a source of ideas for dealing with the day to day problems of running and growing a small business Based on the practical experience of the authors with examples taken from consulting practice

TOMORROW IS TODAY, A behavior modification methodology, guide, and workbook to manage the job search process Lawrence D. Alter, 1901 This 240 page workbook is a highly effective no nonsense self marketing instrument to facilitate and manage the entire job search campaign Contained in its pages are all the tools and information necessary to help your terminated employee win and keep their next job Whether or not you provide Outplacement support to your separated employees our workbook would be an excellent tool to augment their job search It provides a complete resource to help the discharged worker achieve and keep their next position FINDING A JOB IS HARD WORK It has been estimated that as many as one out of every three

workers attempts to change jobs annually in the United States Out of a labor force of 153 million that represents almost 50 000 000 job seekers who are seeking new employment each year As a result the job search process is highly competitive at all levels It can be lengthy frustrating prejudicial and unfair Older more traditional job finding techniques have become less productive The traditional resume no longer has the same impact in generating the all important and often elusive interview Both the Wall Street Journal and USA TODAY have highlighted the fact that only about 15% of all professionals find a new position through responding to published advertisements or online postings another 10% through placement agencies or search firms and only 5% through unsolicited direct mail Why then would anyone focus 90% of their time and effort in areas that represent only about 30% of all potential opportunities It is not uncommon for 200 300 people to respond to help wanted advertisements Yet seldom do more than 6 to 10 people achieve interviews and after an often lengthy process only one person gets the job Everyone else starts the whole process again Older Americans women and minorities can often face an even more difficult road due to unspoken but ever present biases There is a better way Tomorrow Is Today dispels the myth that the most qualified candidate always gets the job It points out that the person who is hired is usually the one who is liked the best This book can be a major factor in how you differentiate yourself from other candidates when the hiring decision is almost always based upon subjective factors such as the individual s personality style body language and manner of being interviewed It is an invaluable resource in helping you to achieve your next position with added features that assist in effectively managing both career growth and family issues
