**Me and Sam-Sam Handle the Apocalypse** Susan Vaught, 2019-05-14 Deeply smart and considerate BCCB An absorbing mystery Kirkus Reviews A strong addition to help diversify realistic fiction collections to include neuroatypical characters and heroines School Library Journal Jesse is on the case when money goes missing from the library and her dad is looking like the 1 suspect in Edgar Award winning author Susan Vaught s latest middle grade mystery I could see the big inside of my Sam Sam I had been training him for 252 days with mini tennis balls and pieces of bacon just to prove to Dad and Mom and Aunt Gus and the whole world that a tiny fluffy dog could do big things if he wanted to I think my little dog always knew he could be a hero I just wonder if he knew about me When the cops show up at Jesse s house and arrest her dad she figures out in a hurry that he s the 1 suspect in the missing library fund money case With the help of her first and only friend Springer she rounds up suspects leading to a nasty confrontation with three notorious school bullies and asks a lot of questions But she can t shake the feeling that she isn t exactly cut out for being a crime solving hero Jesse has a neuro processing disorder which means that she s on the spectrum or whatever As she explains it I get stuck on lots of stuff like words and phrases and numbers and smells and pictures and song lines and what time stuff is supposed to happen But when a tornado strikes her small town Jesse is given the opportunity to show what she s really made of and help her dad Told with the true as life voice Susan Vaught is known for this mystery will have you rooting for Jesse and her trusty Pomeranian Sam Sam

**Numbered Sheet Music for 8-Note Steel Drum with Simple Traditional African Songs: Beginner's Level** Helen Winter, The steel tongue drum and the handpan are percussion musical instruments designed to help you focus on your feelings sensations and body No previous training or skills are necessary to enjoy these fascinating instruments Playing drums can relieve stress and disappointment Because most tongue drums include and are tuned to involve the notes of the main octave all songs from this book are possible to play in one octave If you have less than one octave of keys on your drum you may need to skip some songs If you have more than 8 keys for example an 11 or 15 note handpan this book would be a great start to your drum experience Yet each tongue drum is very different and it is impossible to accommodate songs for all kinds of tongue drums in one music book This songbook was written to help the absolute beginner whether child or adult learn to play in a simple and easy way that requires no knowledge of reading music If you

are a beginner playing by note can be difficult It is easier to follow number coded circles with note numbers In Africa singing always involves dancing so the emphasis is placed more firmly on rhythms than on melody or harmony Due to their clear rhythmic patterns African songs are an ideal material for any musician Its main task is not to be reproduced but to get everyone involved since music by definition is the expression of emotional states with the help of sounds of a certain frequency and rhythm An indication of the country of origin of the song in this tongue drum meditation music book is an approximation because many traditional cultures cross current national borders The language in which the song is sung is more important and it can be used in various countries Most songs have been simplified for adult beginners Since African music assumes improvisation and variation we recommend using this sheet music only as a guide The most important thing is to listen and repeat the recordings linked to the QR code
