Santrock Essentials Of Lifespan Development 2nd Edition

John Santrock

Santrock Essentials Of Lifespan Development 2nd Edition:

Essentials of Life-Span Development John Santrock, 2007-08-01 The entire lifespan in 500 pages What s the greatest challenge in teaching the Life Span Development course Covering a lifetime of material in a single term Instructors from across the country have clamored for a streamlined text that captures the core concepts of life span development *Essentials of Life Span Development* was carefully designed and constructed to deliver these core concepts along with a strong applications focus reflecting the broad range of interests and backgrounds of students taking this course And as always with John Santrock s texts the latest research in the field is incorporated throughout **Essentials of Lifespan Development** John W. Santrock, Catherine J. Mondloch, Susan S. Chuang, Anne MacKenzie-Thompson, 2023 The Second Canadian edition of Santrock *Essentials of Life Span Development* provides an approachable introduction to developmental psychology Organized chronologically Santrock covers the essentials from all periods of the human lifespan across 13 chapters The new Second Canadian edition offers an increased focus on diversity with Indigenous content weaved throughout Canadian research current events and real life examples are thoughtfully featured ensuring the material is relevant and meaningful for learners

A Therapist's Guide to Child Development Dee C. Ray, 2015-10-14 A Therapist s Guide to Child Development gives therapists and counselors the basics they need to understand their clients in the context of development and to explain development to parents The chapters take the reader through the various physical social and identity developments occurring at each age explaining how each stage of development is closely linked to mental health and how that is revealed in therapy This ideal guide for students as well as early and experienced professionals will also give readers the tools to communicate successfully with the child s guardians or teachers including easy to read handouts that detail what kind of behaviors are not cause for concern and which behaviors mean it s time to seek help As an aid to practitioners this book matches developmental ages with appropriate evidence based mental health interventions *Human Behavior for Social Work Practice, Second Edition* Wendy L. Haight, Edward H. Taylor, 2013-07-01 Contemporary social workers continue to face growing challenges of complex and diverse issues such as child maltreatment poverty unemployment oppression violence mental illness and end of life care across varied contexts Wendy L Haight and Edward H Taylor present their book *Human Behavior for Social Work Practice Second Edition* as a core text that will help students implement a consistent framework through which to approach multifaceted social issues in any environment whether it be in inner city schools or rural nursing homes with individuals of different ages ethnicities and socioeconomic status *Human Behavior for Social Work Practice Second Edition* uses the developmental ecological systems perspective as an analytic tool to show students how social scientific evidence helps us understand human development and enhances social work practice Students will learn that by effectively connecting theory to practice they can develop successful strategies to use as they encounter complex issues currently facing social workers The authors have reorganized and expanded this new edition to better illustrate

developmental thinking in social work practice throughout the lifespan This book also now includes special topic chapters on human brain development and the increasing relevance of neuroscience to social work practice as well as important social justice issues specific to race and gender that occur throughout the lifespan Also new to this edition Haight and Taylor have developed instructor s materials that can be tailored to include the social work experience of the instructor It is comprehensive so that no additional resources are needed and it is dynamically structured so information can be added where relevant to the course material

Essentials of Patient Education Susan B. Bastable,2016-03-28 Each new print copy includes Navigate 2 Advantage Access that unlocks a comprehensive and interactive eBook student practice activities and assessments a full suite of instructor resources and learning analytics reporting tools Essentials of Patient Education Second Edition prepares nurses for their increasing role in patient teaching health education and health promotion Highly revised the Second Edition focuses on the basic principles of teaching and learning by emphasizing the role of the professional nurse in educating patients and families effectively and efficiently in various healthcare settings The Second Edition explores new topics of motor learning and gender differences in the brain as well as the ethics of patient education and the legal role of the nurse as mandated by state practice The text features completely revised chapter content and updated references that provide evidence from research and theoretical foundations which substantiate content throughout the text Key Features Coverage of health literacy Chapters dedicated to gender socioeconomics culture and persons with disabilities Discussion of compliance and motivation issues Includes the determinants of learning which captures critical information on the learner Case studies offer the opportunity to apply the teaching and learning principles featured in the chapter Instructor Resources Lecture outlines in PowerPoint format Learning Activities Assessments

A Turning Point in Teacher Education James D. Kirylo,Jerry Aldridge,2019-01-25 Since teacher education looked to become a formal field of study in the 1800s it has historically contended with competing forces in the effort to solidify its professional identity Currently that contention is juxtaposed with those external forces that look to promote fast track teacher training with its ultimate goal to dismantle traditional teacher education programs and those internal forces whereby teacher education within itself continues to struggle with its own identity power and influence To that end this book A Turning Point in Teacher Education A Time for Resistance Reflection and Change suggests we have reached a climax point a turning point in teacher education meaning we must work to resist and denounce those external forces that are laboring to undermine the professionalization of what it means to be a teacher Simultaneously we must also deeply reflect and be clear about those internal forces at work when it comes to solidifying the place power and necessity of traditional teacher education programs ultimately announcing the furthering of what should be

Essentials of Life-Span Development John W. Santrock,Catherine Mondloch,Anne Mackenzie,2020-01-23 Santrock Essentials of Life Span Development First Canadian Edition is an exciting new resource that offers essential content in a student friendly format Featuring shorter chapters and interactive study modules Santrock 1ce
