This handbook covers all of the variations of equipment available across the whole 5008 range.

Your vehicle will be fitted with just some of the equipment described in this document, depending on its trim level, version and the specification for the country in which it is sold.

The descriptions and images are given as an indication only. Automobiles PEUGEOT reserves the right to modify the technical specification, equipment and accessories without having to update this edition of the handbook.

This document is an integral part of your vehicle. Remember to pass it on to the new owner in the event of sale of the vehicle.

For any work on your vehicle, use a qualified workshop that has the technical information, competence and equipment required, which a PEUGEOT dealer is able to provide.

We draw your attention to the following points:

- The fitting of electrical equipment or accessories not listed by PEUGEOT may cause faults and failures with the electrical system of your vehicle. Contact a PEUGEOT dealer or a qualified workshop for information on the range of recommended accessories.
- Any modification or adaptation not intended or authorised by Automobiles PEUGEOT or carried out without meeting the technical requirements defined by the manufacturer would lead to the suspension of the new vehicle warranty.
