You Will Be Safe Here Damian Barr, 2019-05-14 Shortlisted for the Saltire Society Literary Awards Named One of the Best Books of the Year by NPR An extraordinary debut that explores legacies of abuse redemption and the strength of the human spirit from the Boer Wars in South Africa to brutal wilderness camps for teenage boys South Africa 1901 It is the height of the second Boer War Sarah van der Watt and her six year old son Fred are forced from their home on Mulberry Farm As the polite invaders welcome them to Bloemfontein Concentration Camp they promise Sarah and Fred that they will be safe there 2014 Sixteen year old Willem is an outsider Hoping he will become the man she wants him to be his Ma and her boyfriend force Willem to attend the New Dawn Safari Training Camp where they are proud to make men out of boys They promise that he will be safe there **You Will Be Safe Here** is a powerful and urgent novel of two connected South African stories Inspired by real events it uncovers a hidden colonial history reveals a dark contemporary secret and explores the legacy of violence and our will to survive

Nonfinite Structures in Theory and Change D. Gary Miller, 2002 This book investigates the precise nature of nonfinite structures and explores the ways in which they change Gary Miller examines a broad range of structures including traditional infinitives gerunds and participles across different Indo European and some non Indo European languages now and in the past As structures which are nonfinite in some languages are not so in others the question arises whether the concept nonfinite has any meaning or explanatory power In seeking an answer to this conundrum the author shows that infinitives with subject person agreement such as in West Greenlandic Modern Greek Portuguese Welsh and Hungarian share properties with prototypical nonfinite formations Professor Miller examines languages with morphologically marked tense on infinitives including Ancient Greek and Latin and Modern Turkish He demonstrates that nonfinite structures that can be assigned non structural inherent or semantic case differ systematically from those with either structural or no case The book concludes with a substantial history of infinitives

gerunds and participles in Old and Middle English which reveals why and how nonfinite structures change and vary over time Gary Miller's innovative theoretical reasoning and the wide range of evidence on which it is brought to bear make this book a considerable contribution to the understanding of grammatical change and its formal expression as well as to the history of English

Mickey Spillane on Screen Max Allan Collins, James L. Traylor, 2018-01-12 In the mid 20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself The level of sex and violence in his Mike Hammer thrillers starting with *I the Jury* in 1947 broke down long held taboos and engendered a near hysterical critical backlash Nonetheless Spillane's influence has been felt reflections of Hammer are visible in nearly every subsequent tough guy of fiction and film including James Bond Dirty Harry Shaft Billy Jack and Jack Bauer Spillane's fiction came to the screen in a series of films that include *Kiss Me Deadly* 1955 and *The Girl Hunters* 1963 with the author himself playing his private eye These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively knowledgeable fashion by Spillane experts Included are cast and crew listings brief biographical entries on key persons and a lengthy interview with Spillane

Creating and Failing the 9/11 Generation Matthew Warshauer, 2024-07-12 Through a chronological and thematic approach this book examines the terrorist attacks on September 11 2001 and the effect on what President George W Bush recognized as the 9 11 Generation By providing cultural and generational context to 9 11 and its impact on the U S this book is the first study to ensure that the voices of this young generation are put at the forefront of analysis *Creating and Failing the 9 11 Generation* answers what happened and why but more importantly it reveals the importance of broader themes and ideas such as foreign policy security patriotism the U S military and American democracy The final chapter 9 11 and the World places the events in America on a global scale and demonstrates how 9 11 has remained and will remain significant to understanding how different places and cultures interact with each other in the modern world *Creating and Failing the 9 11 Generation* is useful for all students who study U S foreign relations terrorism warfare memory studies and the history of modern America

Unlocking the Nature of Human Aggression Adrian Perkel, 2023-12-12 *Unlocking the Nature of Human Aggression* is a neuropsychanalytic and scientific exploration of aggression and argues for its central role in psychopathology and the genesis of individual symptoms as well as in broader systemic conflicts and violence Adrian Perkel creates a unique theoretical approach to the various manifestations we encounter of individual group and geo political aggression and destructiveness Based on psychoanalytic investigations of this dynamic and Freud's incomplete exploration of this human drive this book seeks to understand the science of aggression that Freud himself suggested would be possible with time and scientific development Perkel investigates the commonplace inversion of the perpetrator and victim narratives navigating through the complexity of how the aggressive drive often driven

by feelings aimed at homeostatic regulation challenges the perception of any objective view of who is perpetrator and who victim He includes his own personal experiences of South African Apartheid as well as historical and contemporary data such as speeches from historical figures during times of war including the Second World War and the Ukrainian Russian conflict Offering a fresh and innovative insight into the nature of this paradoxical drive in humans this book integrates the psychology psychodynamics and neuroscience of modern research into a coherent exposition of this key aspect of psychic functioning in humans It is an essential read for analysts in practice and training psychologists and other mental health professionals and students looking for a modernised theoretical model of the destructive and aggressive drive of the psyche to facilitate better interventions for individual and couple patients and for interventions at systemic and organisational levels *Translating*

Cuba Robert S. Lesman, 2021-07-12 Cuban culture has long been available to English speakers via translation This study examines the complex ways in which English renderings of Cuban texts from various domains poetry science fiction political and military writing music film have represented reshaped or amended original texts Taking in a broad corpus it becomes clear that the mental image an Anglophone audience has formed of Cuban culture since 1959 depends heavily on the decisions of translators At times a clear ideological agenda drives moves like strengthening the denunciatory tone of a song or excising passages from a political text At other moments translators indifference to the importance of certain facets of a work such as a film's onscreen text or the lyrics sung on a musical performance impoverishes the English speaker's experience of the rich weave of self expression in the original Spanish In addition to the dynamics at work in the choices translators make at the level of the text itself this study attends to how paratexts like prefaces footnotes liner notes and promotional copy shape the audience's experience of the text *Parameters and Functional Heads* Adriana Belletti, Luigi

Rizzi, 1996-04-25 The essays collected in this volume most previously unpublished address a number of closely interconnected issues raised by the comparative syntax of functional heads within the Principles and Parameters approach The general theory of head movement the properties of derived structures created by incorporation and the parameterization involved are the main theoretical foci One major empirical area which is addressed concerns head movement in configurations involving certain kinds of operator like elements for example the different manifestations of Verb Second phenomena in Wh and other constructions and the syntax of negative heads and specifiers In addition properties of functional heads and head movement in nominal and clausal structures and the causative construction are investigated

Acts of Vanishing Fredrik T. Olsson, 2018-04-24 A city in darkness A hero in disgrace His daughter in the gravest danger With its heart pounding action and breakneck pace *Acts of Vanishing* is the perfect blockbuster thriller One winter evening just before Christmas Stockholm is plunged into a sudden citywide blackout Radio internet phone service all cut out simultaneously cloaking the city in darkness and silence On the pitch black streets a young woman carries a message for her estranged father It may be the key to reversing the blackout and preventing further attacks But someone powerful is

determined to stop her from delivering it In an eerily quiet newsroom journalist Christina Sandberg tries to piece together what's happening She has a terrible feeling that somehow her ex husband William is involved Code breaker and cyber security expert William Sandberg received an anonymous email immediately before the blackout with very specific directions to be followed His erstwhile colleagues in the state military police are very aware of this correspondence Sandberg is taken into custody just when he most needs to be in action to clear his name find his daughter and save the country from disaster
