The Throne of Labdacus Gjertrud Schnackenberg,2001-12-07 Winner of the 2001 Los Angeles Times Book Prize in Poetry A New York Times Book Review Notable Book of 2000 The first warning passing through Thebes As small a sound As a housefly alighting from Persia And stamping its foot on a mound Where the palace once was As small a moth chewing thread In the tyrant s robe As small as the cresting of red In the rim of an injured eye as small As the sound of a human conceived A compelling lyric telling of the story of Oedipus and of what happens outside the play in the experience of the god who is its presiding oracle Apollo the god of poetry music and healing Given the task of setting the Sophocles text to music the god is woven reluctantly into its world of riddles unanswered questions partially disclosed objects and ambiguous second hand reports a world where the gods as much as humans are subject to the binding claims of fate and necessity Gjertrud

Schnackenberg draws upon ancient fragments and allusions to Oedipus and upon folk tales about the origin of the Greek alphabet to present a vision of the tragedy's essential unknowableness where the destinies of gods and humans secretly mingle in the unfolding of time and where Zeus's laws which suffuse the great tragedy's world are as invisible and as inviolable as physical laws

Beyond the Icarus Factor Richard Hawley, 2008-02-12 A call to reconsider the place of boys in the family schools and community institutions that rob them of their inborn vitality and creativity Argues that boys have a unique free spirit nature and that efforts to alter or suppress it lead to profound unhappiness pathology or startling compulsions Demands another approach to societal expectations one that values and promotes the daring creativity of boys Richard Hawley's many years as headmaster of a boys school have convinced him that boys do indeed have a unique intrinsic and inalienable free spirit nature He sees deep flaws in the way we as parents educators and community members alter or suppress that true nature in order to turn boys into men that fit our societal template Hawley argues that the model man in our society while seemingly successful in his role may yet be unhappy in his life The very elements that we strip away from a boy's natural tendencies are the sources of spirituality and vitality that can give his life both meaning and satisfaction Without these he is lost to his essential nature A

new approach is needed says Hawley and he goes to the roots of Western theology and philosophy to locate what has gone wrong and how those consequences might be addressed He sounds the clarion call to unleash promote and celebrate the seemingly dangerous pursuits that reflect the creativity and daring nature of boys Fantasy and imagination must trump cognition and problem solving We must not hold our boys back with our fears of failure but give them the tools and support they need to create wings good enough to fly wherever they wish to go **Sophocles: Oxford Bibliographies Online**
