Catalogue of the Library of the Peabody Institute of the City of Baltimore ,1883 *Catalogue of the Library of the Peabody Institute of the City of Baltimore ...* George Peabody Library,1889 *A Catalogue of the Books Belonging to the Library Company of Philadelphia: Sciences and arts* ,1856 **Catalogue of the Library of the Peabody Institute of the City of Baltimore ...** Johns Hopkins University. Peabody Institute. Library,1889 **Catalogue of the Library of the Peabody Institute of the City of Baltimore** N. H. Morison,1889 **A Catalogue of the Books Belonging to the Library Company of Philadelphia** Library Company of Philadelphia,1856 *Catalogue of the Books Belonging to the Library Company of Philadelphia* ,1856 **Oeuvres completes** Stendhal,1855 Oeuvres Stendhal,1926 **British Museum Catalogue of printed Books** ,1891 *Catalogue of a Large Collection of Choice and Rare Book* Hill,Gurley,2025-08-05 Reprint of the original first published in 1845 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Catalogue of the Astor Library Charles Alexander Nelson,1887 **A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942** ,1942 *The Historical Novel in Nineteenth-Century Europe* Brian Hamnett,2011-11-24 Even at the height of its popularity in the early nineteenth century the historical novel faced criticism at many levels After its predominance in the 1810s and 1820s writers and historians shunned it as a travesty of their respective disciplines Even so the historical novel has frequently attracted a wide ranging public right up to the present day Brian Hamnett examines key novels by authors including Scott Balzac Manzoni Dickens Eliot Flaubert Fontane Gald s and Tolstoy revealing the contradictions inherent in this form of fiction and exposing the challenges writers faced in attempting to represent a reality that linked past and present He argues that the historical novel in the nineteenth century was a common European phenomenon with considerable interconnection of themes and periods Accordingly the book ranges from the British Isles and France through the Germanic territories Italy and Spain to the Russian Empire identifying the different objectives and phases of the historical novel Although historical novels did appear in the two previous centuries the form came to maturity in the nineteenth century a consequence of the developing nature of history as a discipline distinct from literature and philosophy and the increasing primacy of the novel for writers and the reading public Yet the frontiers between history and literature remained blurred and the two disciplines continued to influence one another as each sought a faithful representation of human experience *The Making of the Middle Ages* Marios Costambeys,Andrew Hamer,Martin Heale,2007-04-01 Liverpool s contribution to the modern construction of the middle ages is here recognized for the first time From the eighteenth century to the twenty first scholars from Merseyside have made pioneering advances in fields as diverse as Celtic philology and manuscript collecting each in their own way contributing to our steadily deepening understanding of the real middle ages and to the widening use to which images of the

middle ages have been put Merseyside presents in microcosm the different building blocks of the modern middle ages In addition to its local focus this book therefore also examines some of the most significant aspects of the modern study of the middle ages in the round It offers fresh perspectives from leading experts in their fields on medieval Celtic languages on English poetic literature on heroes on pageantry on mystery plays and on the effect of nationalist perspectives on the writing of medieval history Tracing the burgeoning appreciation in Merseyside and beyond of the period in which the city was founded this collection of essays is a fitting commemoration of Liverpool s octocentenary Internationalism and Its Betrayal Micheline Ishay,1995 Internationalism and Its Betrayal was first published in 1995 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions A new world order proclaimed Western leaders after the cold war could extend liberal democracy and human rights around the globe Yet the specter of nationalism once again haunts the world threatening to extinguish the spirit of internationalism Although internationalism is typically understood to be diametrically opposed to nationalism Micheline Ishay argues to the contrary maintaining that internationalism often incorporates an individualist element that manifests itself as nationalism during critical periods such as war For example the new liberal internationalism invoked after the cold war is now revealing its limits as reflected by the UN s inability to interfere promptly to stop ethnic and nationalist conflicts in Bosnia Rwanda and elsewhere Internationalism and Its Betrayal explores the tensions and contradictions between ideas of nationalism and internationalism focusing on the major political thinkers from the early modern period into the nineteenth century Ishay examines the writings of Vico Grotius Rousseau Kant Paine Robespierre Burke Fichte de Maistre and Hegel She speaks to an audience of individuals interested in the spread of democracy students of human rights and international relations historians of the French Revolution and political theorists Micheline Ishay was born in Tel Aviv and raised in Israel Luxembourg and Brussels Belgium She is currently assistant professor at the Graduate School of International Studies at Denver University where she is also serving as director of the human rights program and executive director of the Center on Rights Development She is coeditor of The Nationalism Reader 1994 Craig Calhoun is professor of sociology and history and director of the University Center for International Studies at the University of North Carolina at Chapel Hill He is the editor of the Contradictions of Modernity series for the University of Minnesota Press

Catalogue of the Astor Library (continuation) Charles Alexander Nelson,1886 Poison, Medicine, and Disease in Late Medieval and Early Modern Europe Frederick W Gibbs,2018-07-20 This book presents a uniquely broad and pioneering history of premodern toxicology by exploring how late medieval and early modern c 1200 1600 physicians discussed the relationship between poison medicine and disease Drawing from a wide range of medical and natural philosophical texts with an emphasis on treatises that focused on poison pharmacotherapeutics plague and the nature of disease this study brings to light premodern physicians debates about the potential existence nature and properties of a category of substance

theoretically harmful to the human body in even the smallest amount Focusing on the category of poison *venenum* rather than on specific drugs reframes and remixes the standard histories of toxicology pharmacology and etiology as well as shows how these aspects of medicine although not yet formalized as independent disciplines interacted with and shaped one another Physicians argued for instance about what properties might distinguish poison from other substances how poison injured the human body the nature of poisonous bodies and the role of poison in spreading and to some extent defining disease The way physicians debated these questions shows that poison was far from an obvious and uncontested category of substance and their effort to understand it sheds new light on the relationship between natural philosophy and medicine in the late medieval and early modern periods Pushkin on Literature Aleksandr Sergeevich Pushkin, 1986 Pushkin on Literature approaches Pushkin's literary accomplishment from a unique perspective it focuses on Pushkin the critic and on his fascination with the literary world that surrounded him This is the only English language edition of the complete set of Pushkin's critical writing both on his own work and on the wide range of European literature Byron Shakespeare Voltaire Milton which he read and studied and Which so profoundly influenced his own writing These extracts from Pushkin's letters articles and working notes provide a complete chronological record of the artist's literary evolution and provide a fascinating glimpse into the poet's intellectual passions **The Publishers Weekly** ,1883

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, Witness the Wonders in **Oeuvres De Alessandro Manzoni** .
