Of Other Worlds Essays And Stories:

Of Other Worlds Clive Staples Lewis, 2002 The less known the real world is the more plausibly your marvels can be located near at hand As the creator of one of the most famous other worlds of all time C S Lewis was uniquely qualified to discuss their literary merit As both a writer and a critic Lewis explores the importance of story and wonder elements often ignored or even frowned upon by critics of the day His discussions of his favorite kinds of stories children s stories and fantasies includes his thoughts on his most famous works The Chronicles of Narnia and the Space Trilogy A must for any collection of C S Lewis Choice **Of Other Worlds; Essays and Stories, by C.S.Lewis; Edited by Walter Hooper** C. S. (Clive Staples) Lewis, 1966 **Entranced by Story** Hugh Crago, 2014-04-24 We live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences This book focuses on the experiences that good stories generate feelings of purposeful involvement elevation temporary loss of self vicarious emotion and relief of tension The author examines what drives writers to create stories and why readers fall under their spell why some children grow up to be writers and how the capacity for creating and comprehending stories develops from infancy right through into old age Entranced by Story applies recent research on brain function to literary examples ranging from the Iliad and Wuthering Heights to Harold and the Purple Crayon providing a groundbreaking exploration of the biological and neurological basis of the literary experience Blending research theory and biographical anecdote the author shows how it is the unique structure of the human brain with its layering of sophisticated cognitive capacities upon archaic emotion driven functions which best explains the mystery of story **C.S. Lewis--An Annotated Bibliography and Resource** P. H. Brazier, 2012-09-20 This bibliography and resource consists of a chronological introduction to the development of Lewis s works a copious bibliography and a guide to the study of Lewis an introductory essay on Christology in Lewis and a glossary for those unfamiliar with some of the background and terms to Lewis s understanding of revelation and the Christ It will be an invaluable resource for all scholars of C S Lewis The bibliography stands alone but it also serves to complement the three volumes of the series C S Lewis Revelation and the Christ **In Other Worlds** Gayatri Chakravorty Spivak, 1988 Spivak engages general questions of theory ongoing critical debates with political philosophers such as Habermas and Althusser with psychoanalysts such as Kristeva and with legal theorists such as Dworkin **In the Highest Degree: Volume One** P. H. Brazier, 2018-10-31 The theological and philosophical works of C S Lewis were grounded in the argument from reason As such reason is a form of revelation that predates nature and relates to the divine the Word of God Christ the Logos These essays provide some understanding of the essentials to Lewis s philosophical theology that is the essentia in the highest degree Lewis s corpus can seem disparate but here we find unity in his aims objectives and methodology a consistency that demonstrates the deep roots of his philosophical theology in Scripture in Greek philosophy patristic and medieval theology and in some of the Reformers all framed by a reasoned

discipline from a perceptive and critical mind method and form content and reason for the glory of God Here is the essential of Lewis's thinking From an analysis of reason through a theoretically unified proposition for atonement to the evidence of Christ as the light of the world across human endeavors and religions to a doctrine of election to an understanding of Scripture to the Philosophy of the Incarnation as Lewis termed it through fundamental arguments with various modern liberal theologians we find evidence for the actuality of the incarnation the divinity of Christ *The Longing for a Form* Peter J. Schakel, 2008-06-02 C S Lewis's extremely popular works of fiction have been widely discussed in terms of the ideas and religious themes they express and defend but less often in terms of their purely literary qualities Ironically Lewis himself a noted literary critic would have objected to any such one-sided analysis of his works To concentrate exclusively or even primarily on the content of a work without a consideration of its form and style was in his view a seriously unbalanced method of criticism *The Longing for a Form* corrects this critical imbalance by supplying a theoretical background and detailed close readings for a better understanding and appreciation of Lewis's fiction as works of art Following three general studies a section of the book is devoted to each to Lewis's major efforts in fiction the Ransom trilogy the Chronicles of Narnia and *Till We Have Faces* considering the distinctive literary features of each group and individual books within the group Running through the book is an emphasis on form as literary kind and as structure and a recurrent attention to three themes of particular importance in Lewis as a writer of fiction objectivism longing and the literary artist as creator Individually the essays supply fresh insights into the style and meaning of specific works by Lewis as a group they illustrate a depth technical skill and unity of thought and theme which have not previously been accorded Lewis as an artist in fiction *The Quotable Lewis* Jerry Root, Wayne Martindale, 2012-03-12 This book presents more than 1 500 quotes from C S Lewis's writings providing ready access to his thoughts on a variety of topics An exhaustive index references key words and concepts allowing readers to easily find quotes on any subject of interest *Fantasies of music in nostalgic medievalism* Helen Dell, 2024-01-30 In the period between the Second World War and the present there has been an extraordinary rise in the production of medievalist fantasy literature and film This has been accompanied by the revival performance and invention of medieval music In this enterprise modern fantasies of the Middle Ages have exercised great influence *Fantasies of music in nostalgic medievalism* shows how music medievalism and nostalgia have been woven together in the fantasies of writers and readers musicians musicologists directors and listeners film makers and film goers This book studies the ways in which three fields of creative activity inspired by the medieval musical performance literature cinema and their reception have worked together to produce and sustain for some the fantasy of a long lost long mourned paradisaal home *Tolkien and C.S. Lewis* Colin Duriez, 2003 This book explores their lives unfolding the extraordinary story of their complex friendship that lasted with its ups and downs until Lewis's death in 1963 Despite their differences of temperament spiritual emphasis and storytelling style what united them was much stronger A shared vision that continues to inspire their millions of readers throughout the world

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Envisioning Howard Finster* Norman J. Girardot, 2015-06-26 The Reverend Howard Finster 1916 2001 was called the backwoods William Blake and the Andy Warhol of the South and he is considered the godfather of contemporary American folk and visionary art This book is the first interpretive analysis of the intertwined artistic and religious significance of Finster's work within the context of the American outsider art tradition Finster began preaching as a teenager in the South in the 1930s But it was not until he received a revelation from God at the age of sixty that he began to make sacred art A modern day Noah who saw his art as a religious crusade to save the world before it was too late Finster worked around the clock often subsisting on a diet of peanut butter and instant coffee He spent the last years of his life feverishly creating his environmental artwork called Paradise Garden and what would ultimately number almost fifty thousand works of bad and nasty art This was visionary work that obsessively combined images and text and featured apocalyptic biblical imagery flying saucers from outer space and popular cultural icons such as Elvis Presley Marilyn Monroe Henry Ford Mona Lisa and George Washington In the 1980s and 90s he developed cult celebrity status and he appeared in the Venice Biennale and on the Tonight Show His work graced the album covers of bands such as R E M and Talking Heads This book explores the life and religious artistic significance of Finster and his work from the personal perspective of religion scholar Norman Girardot friend to Finster and his family during the later years of the artist's life **Envisioning Howard Finster** N. J. Girardot, 2015 The Reverend Howard Finster 1916 2001 was called the backwoods William Blake and the Andy Warhol of the South and he is considered the godfather of contemporary American folk and visionary art This book is the first interpretive analysis of the intertwined artistic and religious significance of Finster's work within the context of the American outsider art tradition Finster began preaching as a teenager in the South in the 1930s But it was not until he received a revelation from God at the age of sixty that he began to make sacred art A modern day Noah who saw his art as a religious crusade to save the world before it was too late Finster worked around the clock often subsisting on a diet of peanut butter and instant coffee He spent the last years of his life feverishly creating his environmental artwork called Paradise Garden and what would ultimately number almost fifty thousand works of bad and nasty art This was visionary work that obsessively combined images and text and featured apocalyptic biblical imagery flying saucers from outer space and popular cultural icons such as Elvis Presley Marilyn Monroe Henry Ford Mona Lisa and George Washington In the 1980s and 90s he developed cult celebrity status and he appeared in the Venice Biennale and on the Tonight Show His work graced the album covers of bands such as R E M and Talking Heads This book explores the life and religious artistic significance of Finster and his work from the personal perspective of religion scholar Norman Girardot friend to Finster and his family during the later years of the artist's life Modern Fantasy Colin N. Manlove, 2020-04-16 After a decade from 1965 which had seen the growth in Britain and America of an enormous interest in fantasy literature and a rise in its academic repute from cold to lukewarm a serious study of the subject seemed long overdue In this first critical

book in its time on modern English fantasy Colin Manlove surveys a representative group of modern fantasies in the Victorian period in the children's scientific and Christian fantasy *The Water Babies* by Charles Kingsley and the mystical fantasy of the Scottish writer George MacDonald and from the twentieth century the interplanetary romances of C. S. Lewis the post war fantasy of rebellious youth in Mervyn Peake's *Gormenghast* books and the quest to avert apocalypse in J. R. R. Tolkien's *The Lord of the Rings* The aim with all these works is to show the peculiar literary experiences they offer and to assess their strengths and limitations in relation to wider English literature In the introduction to his book Manlove gives a definition of fantasy marking off the genre from its near neighbors science fiction and Gothic or horror story and distinguishing between fantasies that are serious works of imagination and those that are fanciful or escapist Each chapter that follows is primarily a literary analysis set in a context of the writer's life thought and other works As the book proceeds there begins to emerge a picture of the originality and merit of the writers but at the same time the sense of a division in the purpose of each writer whereby their works fail to abide by their own laws In the conclusion to this book Manlove draws the different types of division found into one and argues that the problem is one that is endemic to the writing of modern fantasy

Encyclopedia of Video Games Mark J. P. Wolf, 2021-05-24 Now in its second edition the *Encyclopedia of Video Games: The Culture, Technology, and Art of Gaming* is the definitive go-to resource for anyone interested in the diverse and expanding video game industry This three-volume encyclopedia covers all things video games including the games themselves the companies that make them and the people who play them Written by scholars who are exceptionally knowledgeable in the field of video game studies it notes genres institutions important concepts theoretical concerns and more and is the most comprehensive encyclopedia of video games of its kind covering video games throughout all periods of their existence and geographically around the world This is the second edition of *Encyclopedia of Video Games: The Culture, Technology, and Art of Gaming* originally published in 2012 All of the entries have been revised to accommodate changes in the industry and an additional volume has been added to address the recent developments, advances, and changes that have occurred in this ever-evolving field This set is a vital resource for scholars and video game aficionados alike
