Grizzly Confidential Kevin Grange, 2024-09-17 In *Grizzly Confidential* author Kevin Grange former paramedic and park ranger at Yellowstone and Grand Teton comes face to face with

North America's most fearsome predator *Ursus Arctos*. His quest takes him from his home in the Tetons to an eerie mist shrouded island of gigantic bruins from the Bear Center at Washington State University where scientists believe the secrets of hibernation might help treat diabetes, heart disease and obesity in humans to the dark underbelly of for-profit wildlife parks, illegal animal trade and black markets hawking bear bile. Along the way he meets fascinating biologists and activists and discovers that everything he knew about grizzlies was wrong. Ultimately his odyssey leads him to find answers on a remote corner of the Alaskan Peninsula where for the last fifty years humans have coexisted peacefully alongside the largest gathering of brown bears on the planet. *Grizzly Confidential* is about bears but also the inspiring people who look after them. This is a fast-paced gripping story that educates, entertains and gives a sneak peek into the secret life of a well-known species. Part science, part travelogue and a passionate plea for bear conservation, *Grizzly Confidential* is a lively account for anyone who loves the outdoors and learning about the natural world.

Wake Up and Smell the Poop! Don Sullivan, 2012-04. The world is flooded with so-called dog training experts, paraphernalia and information. Cupboards and drawers are bursting with dog biscuits, devices and gadgets. Yet more dog owners than ever are desperately trying to create some semblance of peace and order within their homes amidst their out-of-control canines. Something is clearly amiss in the world of dog ownership and training. In his new book, Don Sullivan inspires readers to wake up and recognize the insidious forces undermining the realization of dog owners' dreams and he empowers them with an unprecedented array of knowledge and understanding to launch them to instant success with their own dogs. At times controversial and continually enlightening, *Wake Up and Smell the Poop* proves that Don Sullivan's approach to training dogs is far from ordinary.

The Particulars of Peter Kelly Conaboy, 2020-12-08. This might be one of the month's if not the year's sweetest books, zaniest too. The Washington Post: A hilarious addition to the dog-oir canon. People: Perhaps the greatest love story ever told. Refinery29: The feel-good book the world needs. PopSugar: From one of the Internet's most original voices, a hilarious journey through the odd corners of obsessive dog ownership and the author's own infatuation with her perfect dog, Peter. The author met Peter in the spring of 2017. He, calm puppy-eyed with the heart of a poet and the soul of also a poet, came to her first as a foster. He was unable to stay with his previously assigned foster for reasons that are none of your business but which we will tell you were related to frequent urination. The rescue needed someone free of the sort of responsibilities that would force her to regularly leave the house for either work or socializing, and a writer was the natural choice. Thus began a love story for the ages. *The Particulars of Peter* is a funny exploration of the joy found in loving a dog so much it makes you feel like you're going to combust and the author's potentially codependent relationship with her own sweet dog, Peter. Readers will follow Peter and his owner to Woofstock, the largest outdoor festival for dogs in North America, and accompany them to lessons in Canine Freestyle, a sport where dogs perform a routine set to music, creating the illusion that they're dancing with their owners. From learning about Peter's DNA to seeing if dogs can sense the presence of ghosts, *The Particulars of Peter* will give readers a smart, entertaining

respite from the harsh world of humans into the funny little world of dogs Readers will accompany this lovable duo through exciting trips lessons quiet moments of connection and probably a failure or two By fusing memoir and infotainment The Particulars of Peter promises to refresh the perennially popular dog lit category in a scrumptiously bighearted barnstormer of a book
