Teresa Wilson, 2015-07-24 Parents have a crucial role in supporting children's learning development and well-being. The act of forming effective partnerships with families and carers is a key feature of the Early Years Foundation Stage. Achieving this takes time, reflective practice skill, and a solid understanding of the barriers that can impede forming effective working relationships with parents. This guide offers an informed and comprehensive framework for working with parents, drawing on the latest evidence and containing practical advice from practitioners and parents to support sound partnership practice. Full of examples and activities for training and resources to support practice across a wide range of settings, it focuses on key areas such as Working with parents of different aged children, The development of strategies to support the relationship, The barriers to partnership working including cultural differences and working with hard-to-reach families, Setting up home and setting visits, Creating parent-friendly environments. Including case studies and questions for reflective practice, this book will be ideal for Early Years students on Foundation Degrees, Childhood Studies Courses, and those training to become Early Years teachers, as well as Early Years practitioners and managers responsible for staff training. **No Problem Here** Neil Davidson, Minna Liinpää, Maureen McBride, Satnam Virdee, 2018-03-15 Does Scotland have a problem with racism? With its civic nationalism and welcoming attitude towards migrants and refugees, Scotland is understood to be relatively free of structural and institutional racism. As the contributors to this book show, such generalisations fail to withstand serious investigation. Their research into the historical record and contemporary reality tells a very different story. Opening up a debate on a subject that has been shut down for too long, **No Problem Here** gathers together the views of academics, activists, and anti-racism campaigners who argue that it is vital that the issue of racism be brought into the centre of public discourse. Scotland's role in maintaining and extending slavery across the British Empire is finally beginning to receive the attention it deserves. Yet there is much more that needs to be said about racism in Scotland today.
