Official Truth Proof The Inside Story Of Pantera:

Official Truth, 101 Proof Rex Brown, Mark Eglinton, 2013-03-12 Few heavy metal acts survived the turmoil of the early 1990s music scene Pantera was different Instead of humoring the market the band instead demanded that the audience come to them by releasing a series of fiercely uncompromising platinum albums including *Vulgar Display of Power* and *Far Beyond Driven* two 1 albums that like Metallica's *And Justice for All* sold millions of copies despite minimal airplay Rex Brown's memoir is the definitive account of life inside one of rock's biggest bands which succeeded against all odds but ultimately ended in tragedy when iconic lead guitarist Darrell Dimebag Abbott was murdered mid performance by a deranged fan This is a lucid account of the previously untold story behind one of the most influential bands in heavy metal history written by the man best qualified to tell the truth about those incredible and often difficult years of fame and excess **Official Truth,**

supervision in 1976 Bergoglio was called to testify in a closed chambers session Ferguson reviewed those secret proceedings and uses them as a springboard to explore the Argentine Catholic Church and its broader role in the Dirty War The lingering but acute trauma of the victims who testified at the trial underscores the moral urgency of accountability When a state strips its citizens of all their rights the only response that approximates reparation is to restore the rule of law and punish the perpetrators Yet the trial also revealed the limits of using criminal law to respond to mass atrocity Justice demands a laser like focus on evidence relevant to a crime but atrocity begs for social understanding Can the law ever bring full justice
