Teaching Writing Tessa Daffern, Noella M Mackenzie, 2020-07-25 In the 21st century writing is more important than at any other time in human history Yet much of the emphasis in schooling has been on reading and after the early years writing skills have been given less attention Internationally too many children are leaving school without the writing skills they need to succeed in life The evidence indicates that students rarely develop proficiency as writers without effective teacher instruction Teaching Writing offers a comprehensive approach for the middle years of schooling when the groundwork should be laid for the demanding writing tasks of senior school and the workplace Teaching Writing outlines evidence based principles of writing instruction for upper primary students and young adolescents It presents strategies that are ready for adoption or adaptation and exemplars to assist with designing and implementing writing lessons across the middle years of school It addresses writing from a multimodal perspective while also highlighting the importance of teaching linguistic aspects of text design such as sentence structure vocabulary and spelling as foundations for meaning making Contributors argue that students need to continue to develop their skills in both handwriting and keyboarding Examples of the teaching of writing across disciplines are presented through a range of vignettes Strategies for assessing student writing and for supporting students with diverse needs are also explored With contributions from leading literacy educators Teaching Writing is an invaluable resource for primary secondary and pre service teachers

Bilingual Learners and Social Equity

Ruth Harman, 2017-08-13 This volume explores how educators conceptualized and implemented critical approaches to systemic functional linguistics that support

bilingual students in appropriating and challenging dominant knowledge domains in K 16 contexts The researchers exhibit a shared commitment to enacting a culturally sustaining SFL praxis that validates multilingual meaning making pushes against social inequity and fosters creative re mixing of available semiotic resources It should prove a valuable resource for students teachers and researchers interested in applied linguistics education and critical theory
