Persuasive Speech About Soccer:

Persuasive Communication Skills S. Steinberg, 1999-10-31 This series covers topics in interpersonal small group organizational and mass communication Each chapter offers an overview a list of key terms and learning objectives while activities reinforce and expand learning through self evaluation [The Aesthetics, Poetics, and Rhetoric of Soccer](#) Ridvan Askin, Catherine Diederich, Aline Bieri, 2018-05-08 Soccer has long been known as the beautiful game This multi disciplinary volume explores soccer culture and the representation of soccer in art film and literature using the critical tools of aesthetics poetics and rhetoric Including international contributions from scholars of philosophy literary and cultural studies linguistics art history and the creative arts this book begins by investigating the relationship between beauty and soccer and asks what criteria should be used to judge the sport s aesthetic value Covering topics as diverse as humor national identity style celebrity and social media its chapters examine the nature of fandom the role of language and the significance of soccer in contemporary popular culture It also discusses what one might call the stylistics of soccer analyzing how players fans and commentators communicate on and off the pitch in the press on social media and in wider public discourse [The Aesthetics Poetics and Rhetoric of Soccer](#) makes for fascinating reading for anybody with an interest in sport culture literature philosophy linguistics and society [The Rebirth of Professional Soccer in America](#) Dennis J. Seese, 2015-03-06 The history of soccer in the United States is far richer and more complex than many people realize Leagues competed in the U S as far back as the late 1800s and in 1919 Bethlehem Steel became the first American professional soccer team to play in Europe when they toured Sweden Multiple leagues existed during the early 1900s but after the American Soccer Association folded in 1933 the country did not see a rebirth of professional soccer until 1967 It was a painful hostile revival that saw dueling groups of American sports entrepreneurs fracture into two separate professional leagues The United Soccer Association USA and the National Professional Soccer League NPSL [The Rebirth of Professional Soccer in America](#) The Strange Days of the United Soccer Association tells the story of this largely forgotten chapter in the sport s history The USA and NPSL were ragged misshapen pieces of a puzzle that refused to fit together two leagues competing directly for fans and revenue While the USA was a league sanctioned by FIFA but absent from the nation s airwaves the NPSL was considered an outlaw league by FIFA but it held an exclusive television contract with CBS This would have been strange enough but the USA league imported entire teams from Great Britain Italy and South America including Stoke City Wolverhampton Wanderers Cagliari Calcio and Bangu This book recounts soccer riots in Yankee Stadium teams with dual identities World Cup winners on the pitch and a cast of characters featuring the likes of Phil Woosnam Lamar Hunt Derek Dougan and Gordon Banks Drawing on meticulous research and interviews this book reveals the little known story that unfolded on the field in the boardroom and across the country during this single strange season of professional soccer Featuring an impressive group of global soccer legends this book delivers a fascinating piece of soccer history for the growing legions of American soccer supporters as well
