**“Poverty is the deprivation of opportunity” - Amartya Sen. Poverty is one of the most leading problems or issue our country and even the world at large is currently facing. Partnering with Government Agencies or Organizations might put a smile to people who are in the underserved sectors, the poor, the hunger, the thirsty, the unprivileged, the community where poverty hit them hard. We can do something about it, you don’t need to have a big pocket to help, it is by**
