Peter Tells Everyone Sunday School:

Sunday School Sins Barry Ferst, Ph.D., 2010-03-27 Sunday school teaching is a perverse affair Many teachers hide the origins of Christianity behind miraculous stories because they fear that telling what really occurred would attract no one Of course some teachers have only the stories because they teach a subject they do not know These people do wrong or theologically speaking they sin As a corrective Sunday School Sins presents a humorous romp through early Christianity The book details the origins of the faith presenting in an entertaining fashion what scholars have known and have been writing about in academic journals for the last two hundred years **Printable Bible Story Word Puzzles and Word Games for Sunday School and Homeschool** , *The Wesleyan Sunday-school magazine [afterw.] The Wesleyan methodist Sunday school magazine* ,1883 **The Sunday School Journal** ,1899 *Sunday school lessons from the book of the Acts of the Apostles* Larry D. Alexander,2012-08-01 sunday school lessons from the book of acts **Cross Examinations** Marit Trelstad, In today s theological landscape the significance of the cross has become strongly affirmed and radically questioned This exciting volume gathers theologians and historians who have thought through these critical and constructive issues Do traditional understandings of the cross valorize suffering or violence Are the older soteriological models which see redemption as a kind of ransom or debt satisfaction fitting for the contemporary worldview Do they produce a piety that acquiesces in needless suffering or does the cross precisely meet the massive suffering and injustice of today s world Following an expert introduction to the issues and options by editor Marit Trelstad each author addresses the Christian symbol of the cross in the context of current theological sociological political or environmental issues *Peter and the Children* H. Burnham Kirkland,2004 Effectively communicating with young people is vitally important we are constantly challenged to share the story of God s love in a way that really connects with them Using puppets is an increasingly popular method for establishing a rapport with children and capturing their attention Puppets are much more than just another gimmick because children and adults too carefully listen to and absorb the messages presented they can be a very useful teaching tool If you are interested in trying this captivating approach in your congregation then Peter And The Children is just the resource for you H Burnham Kirkland has created 66 short pieces perfect for children s time in worship services or Sunday school classrooms Employing witty dialogue between a presenter and a hand held puppet named Peter the frequently humorous and always instructive scenes can be used as written or to help generate ideas for your own presentations Kirkland writes in a direct style that s easy for young people to understand and makes the Christian faith relevant to their lives Some of the presentations include Will Roast Pig Bring Us Luck A Direct Line To Jesus I m Allergic To That Word School Weather Or Not How Do You Catch The Christmas Spirit H Burnham Kirkland during more than fifty years in the ministry served as the pastor of eight local congregations and as a missionary in the Philippines as well as district superintendent conference program director and treasurer of World Missions of the United Methodist Church A graduate of the College of the City of

Understanding the Trinity Daniels Will Daniels,Will Daniels,2009-02 *Understanding the Trinity* is a revolution in Christian thought and philosophy True Christianity is a Jewish religion established and organized by Jews Gentiles were invited by Jews with God s approval to participate in the Christian movement However Gentile Leaders in most Christian Churches of the world today do not preach the original Christian gospel message of salvation that was first delivered to the saints by the apostle Paul Galatians 1 8 9 *Understanding the Trinity Three Persons vs Three Manifestations* will bring us back to the original gospel message the oneness of God and the power of God s name in the face of Jesus Christ Deuteronomy 6 4 Luke 2 11 When Billy G Newton Bishop Diocesan of the 29th Episcopal District Pentecostal Assemblies of the World Inc Pastor of the Word of Church read this book he said This book was so fascinating I couldn t put it down When

Kevin Seraaj M Div J D Senior Pastor Cornerstone Baptist Church Publisher Central Florida Advocate News read this book he said Understanding the Trinity is a timely relevant and extremely provocative piece of work In a time when the church must be challenged to move out of old ways notions thoughts and traditions this book will without question provide a forum for much needed theological discussion For students of the Bible this book is a must read for it is always that process of reading analyzing and debating that enables us to move forward in both our personal and spiritual journeys Great job When Frank E Thompson Pastor of the Worship Center Church read the book he said This book should be taught in colleges and universities
